

Madison Sewer Work To Begin In Late March

Levee District Will Start On Main Trunk, City On Branch Lines

Construction of a storm relief drainage project in Madison and North Venice should begin in late March, Madison Mayor Stephen Maeras said after he met with the president and chief engineer of the East Side Levee and Sanitary district Wednesday afternoon.

Bids on initial phases of the construction project will be sought immediately, it was announced.

"Just what part of the project the levee district will build other than the first section which they have already committed themselves, will depend on a later meeting of the board," Maeras told the Press-Record.

Maeras and City Controller E. J. Miller met with President Daniel Costello and Chief Engineer Stephen Korman to go over blueprints for the project with Edward Junes, Jr., the Sheppard, Morgan and Schwab engineering firm, which is planning the system.

Although ordinances must be passed by Madison and Venice before much of the major work can be started, Maeras said the levee district can begin work on a trunk line from the river to Klein street soon.

Madison can start work on branch lines at the same time and leave work on a main trunk line along the levee district until it can be determined which government agency will build it, he said.

A stormwater drainage system which will utilize both sewage lines and the proposed new lines was explained to the Madison council at its Tuesday meeting by Junes, civil engineer for Sheppard, Morgan and Schwab, Madison city engineer.

"This system is just what it is called — a relief storm drain sewage system," Junes said. "It will take care of the rain water and the sewage, and the rain water will be carried off some rain water, which is necessary for flushing purposes."

The new system, when completed, would empty the streets of water within 20 minutes after a normally heavy rain, on a scale of a type that might occur every five years according to weather bureau statistics, the civil engineer said.

"A storm which might occur every 50 or 100 years, would take longer to drain," Junes said. "But even with such a rain, the system would take care of the water within an hour."

The levee district, Granite City Engineer Dept and cities of Madison and Venice are all involved in the project.

North Venice Drainage The plan covers most of Madison and North Venice, and the Engineer Dept will be allowed to run lines into the main pipe. The Corps of Engineers is to build the pumping plant near the river.

Junes said the plan is to be built within two years but that cities and levee district could start on their project, the actual drainage system, as soon as possible.

Science, Language In Revamped GC Jr. High Program

A completely new junior high school program will be in effect in September at the three Granite City junior high schools, said Madison Mayor Stephen Maeras.

Maeras reported to the school board Tuesday night, Coolidge and the new West 25th school, eighth and ninth grades, and Central will have part of the seventh grade.

Included will be foreign language, speech, developmental reading and science electives, with an enriched program intended to determine abilities and interests in industrial arts, art and home economics. Band, vocal music and physical education programs will be expanded, and full use will be made of expanded counseling staffs.

English and science will be combined into a two-hour "home base" class for seventh and eighth grades, affording a transition between the grade school home room concept and the divided high school class schedules. This will enable teachers to "learn more about the student at one time than is needed most," Dr. Kiser commented.

Requirements, Electives In addition to the double class, seventh grade students will take two semesters of mathematics, two of physical education, one of science and one of home economics or industrial arts. The same requirements will be in effect for the eighth grade.

A one semester of music and one semester of art will be required somewhere within the seventh and eighth grades. However, the art requirement will be waived for pupils enrolled in foreign languages or science.

Electives which will be available to seventh and eighth grade children are the German or French language, developmental reading, vocal music, band, music, science, art, speech and home economics or industrial arts.

Ninth grade requirements will be two semesters of English, two of mathematics (either geometry or algebra), two of physical education and two of science (either general science or biology).

Citizenship Course Electives in the ninth grade will be a new course in citizenship, art, band, vocal music, either mathematics or Spanish, industrial arts or home economics, speech or little theatre development, reading and world geography.

In general, the purpose of the junior high school program will be outlined in six points, Dr. Kiser told the board.

To continue to appreciate the interests of the students, to provide a better educational environment, to provide a better educational environment, to provide a better educational environment.

To provide a better educational environment, to provide a better educational environment, to provide a better educational environment.

To provide a better educational environment, to provide a better educational environment, to provide a better educational environment.

Opposition For 29 Precinct Offices

19 Incumbents Being Opposed, 10 Other Committeemen Races

Opposition has developed for 29 of the 84 Quad-City precinct committee posts to be decided in the April 12 primary election. There are 18 Democratic races and 11 Republican contests, filing ended Monday afternoon and Saturday is the withdrawal deadline.

Incumbent party committeemen are being opposed in 19 precincts, and races are scheduled for 10 other positions. With eight of the 84 committee posts newly created in Granite City, Precincts 21 to 24, 40 of the 76 incumbents are running unopposed and 17 are not seeking re-election.

Of the 19 incumbents being opposed, one Granite City Democrat, Dick Allen, is in a three-way fight and seven Granite City Democrats have single opponents. They are Walter J. Stein, Steve A. Basch, James W. Grove, Paul E. Jones, Werner E. Bunn, Rollo Winters and Harold P. Hillman.

James W. Grove of Granite City 12 and John Jordan of Venice 12 withdrew this week.

Other Democratic committeemen with opposition are Sam Chomko and Sam Oliver of Venice township and William F. Hicks, Raymond Gaudette and Dean A. of Namekoi township.

Republican incumbents who are being opposed are Maurice J. "Doc" Danner, Andrew Jones, Parks and J. Oliver Lorraine of Granite City, Frank Zamariani and Robert "Doc" Johnson of Namekoi township and George Wannecke of Chouteau Precinct One.

Democratic List A list of the Democratic committeemen candidates follows. The incumbents designated by asterisks:

Granite City — One, Frank J. Bunnery; Two, Louis Dostawko and Raymond D. Horn; Three, Joseph "Doc" Cavarre; Four, O'Shea; Five, John M. Jenkins; Six, William M. Jenkins; Seven, Charles G. Schumacher.

Many Baby Aspirins Baby aspirins caused havoc in two areas here yesterday when youngsters got into bottles and ate a large quantity of the pills.

Kevin O'Shea, son of Mr. and Mrs. Donald O'Shea, 2915 Duxton avenue, used a table he received for Christmas to climb up to the medicine cabinet at home. Sharon O'Beir, 4, daughter of Mr. and Mrs. Raymond O'Beir, 2010 Thirteenth street, climbed up on a chair in the kitchen to get the pills in a box on a window sill. Both youngsters had their stomachs pumped.

In another emergency case involving a youngster, Michael Schumacher, 3, son of Mr. and Mrs. John Goodrich, 3 Frontenac lane, cut his foot on a toy truck and received two sutures at the hospital yesterday.

Thweatt Reports To Sheriff Office, Warrant Is Served

Terry Thweatt, 31-year-old, was arrested by Sheriff's Office yesterday afternoon and charged with a warrant charging assault with intent to kill in connection with a shooting last Sunday morning outside the Club Bayou on Chouteau Slough road.

Thweatt was brought to the Granite City jail this morning and this afternoon was awaiting an appearance before Police Magistrate Gasparovic on the warrant.

The gunshot victim, Ottilio Valencia Jr., 23, of 1800 Spruce street, who was released from St. Elizabeth Hospital this morning, identified Thweatt as his assailant. Valencia, an employee at a local industry, was shot in the chest by a .32 caliber slug while he was walking on a parking lot a few hours after Valencia was wounded. The slug and shell were found in a crime laboratory for inspection.

Industry, Transportation, Recreation Needed Bi-State Projects Cited By Agency, Public

Industrial, transportation and recreation roles for the Bi-State Development Agency were cited by the commissioners and area civic leaders Monday night, with emphasis placed on cooperation rather than competition between the Missouri and Illinois sections of the metropolitan area.

While no final decisions resulted from the group discussions, the agency was urged to supplement them. In general, it was felt that the agency should be a "powerful force for progress" in the 1960s. Noting that the "legal deficiencies have been corrected," they urged efforts to utilize its powers, which go beyond those of any other individual group or organization, so that it can "be of greater service to this area."

Projects suggested for study were the following:

Bringing of principal bridges under ownership and operation of the agency.

No International Airport Possible Here At Present

A proposal for construction of an international airport in this area, including flights from foreign countries and a customs office, is impractical at the present time, an airport study by the Tri-City Regional Port District has shown.

It was learned today from a spokesman for the port district that this will be explained to mayors, Chamber of Commerce presidents and newspaper editors in 12 cities in Madison and St. Clair counties during a meeting at 7:30 p.m. Wednesday, Feb. 3, at the city hall in Granite City.

It was learned that the findings do not rule out a major airport in the Illinois section of the area, and possible ways of establishing a field to accommodate domestic flights are to be discussed. Problems involved in an international airport would include reciprocal agreements with foreign nations through the U. S. State Department and problems encountered in competing with other international airports in this country.

Invitations have been sent by the port district to officials in Alton, Wood River, Hartford, Roxana, Collinsville, Troy, Belleville, East St. Louis and Edwardsville as well as Venice, Madison and Granite City.

The results of the district's study of the need for, advisability of and problems to be considered in the building of a second major airport to serve the Illinois metropolitan area.

Chairman Carl Rant and General Manager John Barcon this month represented the district at a conference in Washington with Gen. Edward Quesada, chief of the Federal Aviation Agency.

The meeting with the FAA was arranged by Cong. Melvin Price because of his interest in the development of such an airport. Rant said.

The chairman commented, "It is now believed that the port district is in a position to give the interested area officials the results of its study."

Entrance was gained through a window on the south side of the building, which had been locked. It was locked when the theft was discovered today, indicating the burglars left through one of the doors.

Annual Meeting Of UF Set For Next Wednesday

New officers and board members are to be elected at the annual meeting of the United Fund of St. Louis, which will be held at the YMCA, starting at 7:30.

The meeting is open to the United Fund membership, including anyone who made a contribution in the last fund campaign.

Present officers are Gilbert M. Sykes, president; Thomas A. Sullivan, vice-president; Milton Morris, vice-president; M. Freeman Wolfe, treasurer; and Rodrick E. Schoenbach, secretary. Retiring board members are Henry Fechte, H. D. Karandjoff, Dr. John E. Lee, Milton Morris, Edson Phelps, Edwin F. Relick, Randall Robertson, Patrick Ryan, Harry C. Swan and M. Freeman Wolfe.

During the meeting, the nominating committee will present its recommendations and nominations will be accepted from the floor.

Those selected as officer candidates by the committee are: Thomas A. Sullivan, president; James L. Hamilton and Fred Plebanek for vice-presidents; Sykes, treasurer, and Rev. Calvin Marcum, secretary. The committee's selection for three-year members of the board of directors includes Mrs. Harriet Byers, Roger Davis, Rev. Paul Evans, James Fox, Edward Hagmann, James L. Hamilton, Harold Karandjoff, Gene Lichter, Carl Lomax, Mrs. Mary McKinnon, Rev. Charles Malcom and William Price.

10-Cent Hourly Pay Increases Ratified

Separate negotiations were successfully completed this week between officials of the O. O. Smith Corp. and the International Association of Machinists District 9 and International Brotherhood of Electrical Workers Local 309.

The 21 machinists employed at the plant voted Monday to accept an offer made by the firm under the union's wage reopening clause in its two-year contract. The contract runs to next Jan. 1.

The 25 electricians voted Tuesday to accept a new one-year contract with several changes and a wage increase. It was learned the machinists received a 10-cent hourly increase, and the electricians agreed on a 10-cent hourly increase with a cost-of-living clause. Participating in the negotiations for the machinists were Patrick P. Ryan, Anthony Zambaldi, Robert Owens, George Hinthorne, while the electrician negotiators were E. L. Corbin, David Harrison, Al Lorenzen and William Bone. Company officials taking part were Melvin J. Dunklin, personnel manager; A. P. Trelo, supervisor of relations, and J. O. Yeager, superintendent of maintenance and engineering.

GC Steel Board To Meet In New Building

Mitchell Speaks In GC

State Residents Working In Missouri Need Aid

The Illinois governor should meet with the Missouri governor and mayor of St. Louis to settle the income and earnings tax problem, Stephen Mitchell, Democratic Party gubernatorial hopeful, told 150 persons at the Labor Temple Tuesday night.

Mitchell revealed that he felt the attorney general should be required to defend Illinois citizens in the tax disputes with Missouri and St. Louis. Residents of Illinois who are working in Missouri are being prosecuted for non-payment of the Missouri income tax and St. Louis earnings tax.

Mitchell was in Granite City most of the day and visited A. O. Smith Corp. plant and shopping areas to meet people in order to

Marvin Crisp Jr., 24, Shot To Death Monday

Marvin Crisp Jr., 24, of 183 Viola Jones Homes, Venice, was killed by a shotgun blast at 10 p.m. Monday in a residence at 1214 North Fourth street, East St. Louis, Carl Faulkner, 30, of 1324 St. Louis avenue, East St. Louis, is being held by police in that city in connection with the shooting.

Police said Faulkner told them he was holding the 12-gauge single-shot shotgun and that it discharged accidentally as Crisp advanced toward him with a hatchet. The home was that of Mrs. Jimmie Faulkner, 33, Faulkner's estranged wife.

In a signed statement, Faulkner said he went to his house to obtain his laundry to take it to his wife's address. At the same time, he also took the shotgun because he planned to go hunting Tuesday and because he wanted it for protection. He then event Crisp visited his wife, he related.

Arriving outside, Faulkner said he saw Crisp inside and told him he would not bother him if Crisp would leave. As Faulkner started to enter the house, Crisp lunged at him with a hatchet, Faulkner said. He tried to ward off a blow, he said, against the door frame, causing the gun to discharge. He then told his wife to call police and an ambulance.

Mrs. Faulkner said she had been seeing Crisp but that his arrival Monday night occurred after she had asked him not to come. She said she was trying to persuade him to leave when her husband arrived. She added that Crisp lifted a hatchet to ward Faulkner and she heard a material witness and released on bond pending an inquest.

Crisp was born in Carbondale but moved with his parents to Venice at an early age. He is survived by his parents, Mr. and Mrs. W. H. Crisp, and three sisters, Mrs. Betty Williams of Los Angeles, Calif., Norma Crisp and Mrs. Joyce Crisp, both of Venice.

Services will be held Sunday at 8:30 p.m. in the American Legion Home in North Venice, with interment in National Cemetery, Jefferson Barracks, Mo.

Survey During Mothers' March On Polio Tonight

A survey to determine the frequency of arthritis, birth defects and polio will be undertaken during the "Mothers March on Polio" in the Quad-Cities tonight when volunteer workers blanket the area seeking contributions to the New March of Dimes campaign fund. The march will begin at 6 p.m. and workers hope to canvass as many residents here as possible in the house-to-house division of the local March of Dimes chairman, Mrs. Gabrielle Betine, has announced.

In a signed statement, Faulkner said he went to his house to obtain his laundry to take it to his wife's address. At the same time, he also took the shotgun because he planned to go hunting Tuesday and because he wanted it for protection. He then event Crisp visited his wife, he related.

Moose Club Polio Campaign Dance Set For Saturday

The annual Polio Campaign dance, given by Moose Lodge 272, will be held for the community at the local lodge hall, 18th and State streets, starting at 9 p.m. Saturday. A Dixieland orchestra will furnish the music. The admission charge will be \$1 per person.

Mrs. Gabrielle Betine, Quad-Cities area chairman for this year's campaign, said the dance will be the final event of the 1960 New Polio drive. She also announced that special donations after Feb. 1 for public health are being awarded this year by the national fund and will be available to qualifying residents of Madison county who are recent graduates of high school or college.

Applications for the scholarships are available through the counselors' office at local high schools.

New Subdivision Areas Added To Park District

Annexation of two subdivision areas in the Granite City park district was completed last night with the adoption of an ordinance for Holiday Gardens Addition One and Glenview Subdivision Addition Nine.

The commissioners also were advised by Atty. Randall Robertson that the tract at the rear of the Namek road fire station will become park district property as soon as the deed is filed by the city. The city recently voted to sell the tract to the park district for \$1.

A financial report showed a balance of about \$2,000 in the park district's bank account, with approximately \$18,000 tax money to be received from the county treasurer's office at Edwardsville as final settlement of 1958 taxes.

Commissioner Milton Worthen, who is vice-president of the State Association of Park Districts, said during a recent executive board meeting in Chicago, the state convention was set for Oct. 19, 20 and 21 at Joliet, with a downtown meeting to be held in May at East St. Louis.

Additional arrangements for a July 4 celebration at Wilson Park were made, and the commissioners authorized a camera to be purchased for the recreational department and for a survey for small trees to be set up in the vicinity of the Wilson Park garage.

Nonn Attacks Citizen Group's Recommendation

The recommendation by the Citizens' Master Sewer and Drainage Committee for hiring the local firm of Sheppard, Morgan & Schwab to conduct a survey and prepare plans under a \$120,000 federal grant was attacked by Alderman Walter Nonn during Monday night's city council session.

Nonn, a member of the council's Special Sewer Committee, said the recommendation was criticized by several citizens before the council has had an opportunity to meet with the citizens' group and discuss the recommendation, which was presented to the council several weeks ago.

A dinner meeting for the council and citizens group is scheduled for next Thursday evening, and the mayor's invitation to the council was read during Monday night's meeting.

Alderman Frank Vesel, chairman of the special committee, said the citizens' group is doing its own work and the details of its recommendation, pointing out much of the work has been carried out at the citizens' own expense. They spent their own money for the good of the town, he remarked.

Vesel urged council members to study the 60-page report in detail and be prepared to ask questions during the joint meeting. "I will bring in a recommendation next week," he told the council. "We must affirm or reject the recommendation."

Another alderman, Arthur

Wieser, urged harmony, pointing out that any other community would be thankful for a \$120,000 federal planning grant, and that if the council continued in discord, the grant might be lost.

In his attack on the citizens' recommendation for hiring Sheppard, Morgan & Schwab as engineers, Nonn urged the employment of a local firm, a St. Louis engineering firm. He said the drainage and river pollution abatement program should be studied together, and that the St. Louis firm has much data on the city sewer which it compiled during a pollution study for the East Side Levee and Sanitary District.

Nonn and Alderman Estill Von Schmitt, both members of the committee, headed by Vesel, also urged other citizens to give the citizen report their prime attention prior to the Feb. 4 dinner meeting and be prepared to ask questions.

The citizens' group, the firm of Sheppard, Morgan & Schwab took a stand against city officials who said the sewer system. Nonn referred to the project as "those gold-plated sewers." During the sanitary engineering firm repeatedly pointed out that the sewer is far from adequate, and the city council ended the firm's position as city engineers, replacing it with David J. Johnston, East St. Louis, who was called in as consulting engineer for the sanitary sewer project.

3 Teachers Hired For GC Grade Schools

Three teacher hires were voted by the Granite City school board during a semi-monthly meeting Tuesday night. All will receive assignments to elementary schools.

Miss Jo Nell Parrott, Villa Ridge, Mo., will teach a new class at Foxworth grade school to relieve an overcrowded class. She received a bachelor degree this year at Central College, Missouri.

Mrs. Mary Ann Thomas, Collinsville, who holds a 1954 bachelor degree from Webster College, will teach at Logan school. The third new employee, Mrs. Ann Zahner, Greenville, Ill., who holds a 1950 bachelor degree from Pennsylvania State University, will teach at Logan school.

At the request of Board President Homer Huber, Supt. Harold M. Kaiser will prepare an analysis of the balance between experienced and younger teachers in the Granite City district. The report will be submitted to the board for study. Dr. Kaiser said the present balance between young and older teachers is being improved.

Mrs. Ledbetter to Retire
The board granted leave of absence to Mrs. Ledbetter's request to retire Feb. 12 at noon at Granite City high school. Mrs. Ledbetter's retirement plan was prompted by the retirement plan and she was granted the accumulated sick leave.

The board adopted a statement of personnel policies, consisting of a compilation of agreements previously reached with employee groups. Louis Meek, high school band director, at a meeting of the Illinois Music Educators Association in Urbana, Feb. 4-6 was approved. Expenses are to be reimbursed.

Supt. Kaiser and two board members, as yet undesignated, are to attend an annual school convention Feb. 13-17 in Atlantic City, N.J.

Possible expansion of the Mitchell grade school campus was discussed, with Supt. Kaiser and Attorney Maurice Daley instructed to obtain information.

Accept Low Bid
The board accepted a low bid of \$147 from the Industrial Soap Co. for supplying 85 dry mop heads and three mop handles and blocks.

Also accepted were low bids on hammers, snips, punches, gauges, pliers, screwdrivers and other tools to be used in sheet metal work by industrial arts students. The amounts were \$75 from Mill Supply, \$48 from Central Hardware, \$27 from Sears, \$22 from Sligo and \$20 from Stanley.

It is planned to install glass basketball backboards in the high school gymnasium. Bills approved totaled \$3824 in the educational fund, \$794 in the building fund, \$113 in the transportation fund, \$17,914 in the new construction fund and \$37,561 in the bond and interest fund.

Studies of utility costs are continuing, and efforts are being made to reduce electric bills, Dr. Kaiser said. An economy program is being conducted for assessment and tax changes affecting the district's finances.

To Borrow Up to \$200,000
It was decided to borrow up to \$200,000 for the educational fund prior to February 1, 1955. An anticipation warrant is to be obtained from either the Granite City Trust and Savings Bank or First Granite City National Bank in a continuation of a previous rotating plan. The district already has borrowed \$100,000 for the educational fund from other school funds.

A fire bell is in service at the Stallings grade school, a discussion of school building conditions showed. A small fire broke out there when an electrical cord became overheated was put out by a foam extinguisher, it was related.

Furnace controls at Emerson grade school are being worked on in an effort to locate a defect. School Engineer Marvin Dean reported. Classes were dismissed for one day due to a furnace failure at Emerson.

The board and administrators toured the newly-completed West 25th street high school after Tuesday's meeting.

Granite City PRESS-RECORD

SICL Is Assured of Legislative Support

State Rep. Allan Dixon and St. Clair County State's Attorney John Hoban said Tuesday that Illinois residents who are objecting to being taxed by Missouri and St. Louis because they work in Missouri will be supported in their claims that the state's income tax is unconstitutional.

The two speakers appeared Tuesday at a membership meeting of the Southern Illinois Taxpayers League in Cahokia, at which 70 new members joined the organization.

Presented David Grant of Granite City said total membership numbers nearly 1200 persons.

Dixon and Hoban said the league is representative of the body, and that they both will work to see its views in opposition to assessment of St. Louis earnings tax and Missouri income tax are filed before the state legislature.

Elsewhere, Stephen A. Mitchell, a candidate for the Democratic nomination for governor, spoke out against the taxes, saying they were creating tension between Missouri and Illinois residents.

Mitchell said the Illinois legislature should be instructed to defend Illinois citizens from the taxes, if he (Mitchell) is elected.

A debate on legality of the income taxes will be the feature of the "Fire On St. Louis" program on TV Channel 5, which will be held at the St. Louis County Courthouse on Tuesday night.

Two Illinois residents, who were among 10 arrested and charged with non-payment of the earnings tax last week, have been found guilty in the St. Louis Court of Criminal Correction and fined \$300. Sixty-day workhouse sentences were suspended upon payment of the fines.

The SICL's next meeting will be held Tuesday at 8 p.m. in the Labor Temple in Granite City. The league's mailing address is Box 432, Granite City.

Men who never had to face failure seldom appreciate success.

Cayuga Street Improvement Placed On First Reading

Final approval of a paved down 360,000 motor fuel tax construction resolution for Cayuga street was blocked Monday night during the Granite City council session but was placed on first reading to be reubmitted for adoption next week.

In a countdown vote, the construction resolution was opposed by Alderman Samuel Whitmer, Wieser and Frank Vesel. Voting for it were Aldermen Charles Walter Nonn, Rufus Lee Master, Estill Von Schmitt, Donald Partney, Charles Casmer Skubish, Samuel Shaefer, Emerald Daves, Robert Gaughan and Steve Basarich.

Absent were Aldermen Charles Meyer and Frank Nemeth. Nonn commented after the resolution had been rejected for final passage and placed on first reading, that it was only being delayed a week. Prior to the construction resolution, the council approved another resolution asking the state to designate Cayuga street for a \$3,200,000 motor fuel tax bond issue defeat.

14 Seeking 10 County Office Nominations

With 14 candidates seeking 10 county office nominations in the April primary, chief interest is expected to center on the efforts of State's Attorney Dick H. Mudge Jr. (D) of Edwardsville to gain re-election. Anthony W. Daly (D) of Alton will be his April opponent, and Edward D. Groshing of East Alton is unopposed for the Republican nomination.

Filling ended Monday afternoon and the withdrawal deadline is noon Saturday at the office of Miss Eulalia Hotz, county clerk. Mudge is in the fifth year of an initial four-year term as state's attorney. Daly, a former probate judge and five-time loser for county offices, ran for state's attorney in 1952. Groshing lost to Mudge in 1955.

Other incumbent county officials with opposition are Circuit Clerk Simon Kellerman Jr. of Edwardsville, and Dr. W. W. Billings of Alton, coroner. William V. Portell of Granite City is seeking the Democratic circuit clerk nomination and Ben F. Staten of Alton is running for coroner.

Republican Contest
A Republican primary contest pairs John Jay Dick of Alton and Clarence M. Armstrong of East Alton for recorder of deeds. Two other Democratic incumbents, County Auditor John L. Kraynack of Madison and Recorder of Deeds James P. Chapman of Collinsville, are unopposed.

Unopposed candidates for Republican nominations besides Groshing are Robert T. Byrns of Granite City for circuit clerk, C. Travis Streeter of Alton for coroner and Lester J. Ogle of Alton for auditor.

Four candidates are seeking three Democratic representative committee seats. They are Joseph Watker of Alton, Sam Paul Drenovec of Mitchell, Harry E. Hartman of Venice and Robert T. McCormick of Granite City.

Unopposed Republican representative committee members are Maurice W. "Doc" Danner and Arthur Habekott, both of Granite City, and Ray W. Herbst of Collinsville.

Cong. Melvin Price (D) is unopposed in April, and no candidates filed for the Republican nomination.

18 Levee Candidates

East Side Levee and Sanitary District filings at Springfield on the final day Monday were by three Democrats, Fley L. Brewer of East Carondelet, P. N. Pickering of DuPont and Clarence D. "Reddy" Schwartz of East St. Louis, and five unopposed Republicans, Walter J. Ende of Granite City and Robert O. Baldridge, Lendell Phelps, William F. Nichols and Elmo Bush, all of East St. Louis.

Those filing previously for the five Democratic levee nominations were Dan Costello, Lawrence Tolar, George Huff and John Molla, all of East St. Louis and all incumbents, Ernest Ell of Granite City, Thomas McGee of Venice, Monroe L. Flinn of Centerville township, John Kerlin of Washington Park and Michael Szwedzicki and Thomas F. Hennessey of East St. Louis.

Those filing for positions as delegates to the national party conventions included George J. Moran (D) of Granite City and Phyllis Stewart Schaffly (R) of Godfrey.

State Filings

Candidates for state offices are as follows:

Republican—William G. Stratton of Morris, incumbent and Hayes Robertson, Flossmoor; Leo R. Granger, Chicago; Raymond J. Kahon, Chicago; for governor; for U. S. senator, John W. Lewis Jr., Marshfield; Samuel W. Wittwer, Riverside; John A. Ricker, Glenview; Warren Wright, Park Ridge; John R. Harrell, Louisville; and Lar Daly, Chicago; for lieutenant governor, John W. Chapman, Springfield, incumbent; and Westzel G. Harness, East St. Louis; for secretary of state, Charles F. Carpenter, East Moline, incumbent; for attorney general, Greenville Beardsley, Chicago, incumbent; and for state auditor, Elbert Smith, Decatur, incumbent.

Democratic—for governor, Otto Kerners, Glenview; and Joseph Lohman and Stephen A. Mitchell, both of Chicago; for U. S. senator, Paul H. Douglas, Chicago, incumbent; and Lar Daly, Chicago; for lieutenant governor, Samuel H. Shapiro, Kaneke, John L. Wellinoff, Belleville, and Robert W. McGraw, Rockford; for secretary of state, William H. Rentschler, Chicago, incumbent.

Clash Between Business Firms, Maeras Says

"I don't know if the meeting was a success or not," said Mayor Stephen Maeras reported to the city council Tuesday night on a Bi-State Development Agency public meeting he attended Monday.

The mayors of Granite City and Venice also attended the Bi-State meeting.

"I'm afraid that this agency will not be able to perform as it should because of the clash of interest between business interests on both sides of the river," Maeras said.

Discusses Merchants
He told of support given by St. Louis merchants for making all bridges across the river free. He said the merchants are seeking more trade from the Illinois side.

"I think we on the east side have become 'big boys and girls' and are no longer dependent on St. Louis or its merchants for many of the services we need," he concluded his report by saying that the agency needs support by both sides of the river in order for it to do a good job. He cited the Tri-City Port district as an agency that has shown progress through cooperation with different groups.

Traffic Light Ordinance
The council also passed an ordinance regulating the traffic light system installed last October on Madison avenue. Until the ordinance was passed, there was doubt as to whether the city or the state had the power to fine for violation of the signals.

Fire Chief E. J. Miller reported to the council that last week the department was called to put out a shed fire on Lee avenue near Madison avenue. It was the first time without the fire alarm. Fourteen firemen responded to the call, an almost 100% turnout, since several men were out-of-town or working Miller said.

The council voted to pay bills totaling \$27,560, including \$887 for a street improvement project and \$7244 in bridge bills. Transfer of \$10,000 from the special revenue fund to the playground and recreation fund was approved.

Cars Wreck On Highway
Cars driven by Elmer Funderburk, Rural Route One, Edwardsville, and Michael Kasich, Bend, were involved in a minor collision Monday on Alternate Route 66-40. No one was injured according to the state police report.

countered party members should work to change it.

President Horace Calvo announced committee appointments and functions and Treasurer Thomas Sullivan discussed dues. Refreshments were served and a rabbit fry on Feb. 3 was announced.

which police later spotted on State street.

In the LeMaster stickup, the alderman was alone in his store when a gunman entered, announced the stickup and took about \$100 in currency from the cash register. The holdup was staged about 7:40 p.m. on Jan. 11, and Payne said his wife was waiting for him in the car. He added that on both stickups, she did not know what he was doing.

The city's other stickup was staged early New Year's Day by two armed, masked bandits who held up Murphy's tavern, 27th street and Washington avenue, and made off with about \$150.

State Trooper Wins \$15,000 Judgment

A city court jury ruled in favor of the plaintiff in the first case to go before it this week as a two-week jury setting opened. Judgment by the jury as the result of alleged injuries sustained in a car-truck-horse trailer accident May 8, 1958, on State Route 151 south of Collinsville in St. Clair county, City Judge Fred P. Schuman is presiding.

Defendants in the case, which was heard Monday and Tuesday, were H. C. Jackson Jr. and Forest Jay Nichols, occupants of a farm produce truck owned by Lawrence Siggers, Amusements, Inc., and Willie R. Hutchinson, operating an auto towing a house trailer; and State Police-man Edward Allen, driver of a state police car in which Derbak was a passenger.

Derbak alleged he sustained permanent injury in an accident which occurred when the house trailer, proceeding south in front of the police car and overtaken by the truck, which was traveling north.

Derbak had asked damages totaling \$300,000 against the defendants.

The city court jury is currently hearing testimony in the second case on its docket, Henry Allen vs. Richard R. Meyers, et al, which is concerned with an earlier auto accident which occurred last September in Jackson county.

Wife Arrested, Man Suffers Knife Wounds

Arthur Smith, 1002a Logan street, was treated at St. Elizabeth Hospital for knife wounds of the chest and right arm after a fight at his home at 4:02 p.m. Monday.

Arrested by Venice police on assault with a deadly weapon was his wife, Rosie, posted bond and came on its docket, Henry Allen vs. Richard R. Meyers, et al, which is concerned with an earlier auto accident which occurred last September in Jackson county.

only your local stores give instant delivery and service ...

We don't believe you gain anything at all by driving long distances to shop at BIG CITY stores. Our local sources have merchandise that's just as good and costs no more.

But merely for the sake of argument, suppose you do save a few dollars on a time-consuming trip many miles from home. And suppose you don't even count the cost of gasoline and oil, car wear, parking fees, etc. Forget, too, if you like, the hazards of driving in today's heavy highway and city traffic.

But don't overlook these things: What you buy here

can be in your home in a few minutes — no waiting several days for delivery. And if the merchandise doesn't give full satisfaction, any needed service or adjustment of the purchase can be made without shipping the items back to the BIG CITY or being forced to make a second trip yourself.

Why drive scores of miles looking for trouble? Shop right around the corner and be safe and satisfied.

HERE'S HOW YOU BENEFIT BY DOING ALL YOUR SHOPPING LOCALLY

When you buy from your hometown merchants you get:

1. HONEST VALUES

Industrial Victories To GC Steel, Depot Cagers

Granite City Steel Co. overcame a five-point first quarter deficit last night and went on to defeat Granite City East and Savings Bank 70-56 to maintain its lead in the Industrial basketball league at the YMCA.

In another industrial contest last night, Engineers Depot led all the way in defeating Union Starch and Refining Co. 51-45.

Big guns for GC Steel were Bob Bachmuller with 18 points, Bob McCaskill 17 and Ship Smith 14, although all ten of the Steelers cagers who came into the game scored.

Ed Mueller topped the losers with 15 points. Jim Bell scored 12 and Paul Robinson 10. Trust Bank grabbed a 15-10 first-quarter lead but was unable to hang on. The Steelers had moved ahead 31-30 by half-time, and maintained the lead the rest of the way.

The Depot cagers, with Bill Feenmore dropping in 17 points and teammate Ed Nascovici 14, jumped ahead of Union Starch in the early going and led by as many as 14 before Union Starch threw accuracy cut into the final margin.

Ron Parker and Marty Sindal each bucketed 11 markers for the losers, and Joe Martinez totaled 10. The Depot led 40-28 at halftime.

Tonight at 8:30, the week's Industrial schedule will be rounded out with a game between Owens Paper Products and A-O Smith Corp.

Cub Pack Organized At Maryville Road School
Cub Pack 46 held its initial pack meeting on Monday evening at Maryville road school with Cubmaster John Dorroughy, presiding.

Albert Guidetti, district Boy Scout commissioner, invited Harry Proffitt, representing the pack's sponsoring institution, the Namooki Kiwanis, who presented the pack charter.

Charles Rodell, former cubmaster of Pack 22, presided over the new Pack 24's organization, conducted an induction ceremony for a large number of new recruits, who later received their Bobcat pins.

Ceremonies were led by Cub Scout Den Five, under the leadership of Mrs. Dorcie Schreiber, den mother. Among the participants were Dale Koester, Dickie Smart, Terry Case, Billy Fox, Dennis Jackson, Lonnie McFarland, Patrick Schreiber, David Cooper, Mike Mifflin and Tommy Hall.

A social hour was enjoyed in the cafeteria with refreshments served by the den mothers to a large number of parents and cubs. Pack 24 will hold its next regular meeting on Feb. 29.

able, using the present sewer pumping system until the new plant is constructed.

The relief storm drainage system would be dry except during a rain, and the present sewerage system would still be the outlet for sanitary sewage.

When asked by one of the aldermen when the project could be completed, Jeneau said, "It depends on how many contractors you have working on it and how fast they work. If all the conditions are right, the system could be completed within a year and a half."

84 To 24 inches
The completed project calls for an open ditch from the river to the nearby pumping station. From there to Kretion of Chicago, the line will be the largest trunk line, 84 inches, which the levee district will build and where the outlet from the Depot and North Venetian will be connected. The line will narrow to 74 inches between Lincolnville and up Madison avenue to Market street.

From Market street, the trunk line, now 72 inches, will go up Washington avenue to Sixth street, where it will narrow again to 66 inches. From Eighth street to the northern city limits, the line will narrow to 42 inches, then to 24 inches. Branch lines connecting to the trunk will be 18 and 12 inches, the latter being the lines in the farthest points of the city.

The system will be built so that branch lines can be constructed with outlets into the main trunk line at any point where a need might arise. Sheppard, Morgan and the project last spring. The council members and mayor expressed interest, but took no action on approval for the plan, electing to wait for action by the levee district.

Squires Win, Roca Upsets St. Bartholomew

Down 2-10 midway through the first quarter, the Columbia Squires rallied in periods two and three last night at the Namooki gym to defeat Lincoln Place Health Club 56-43 and widen its lead in the park district Senior Teenage league.

Roca Club surprised St. Bartholomew's in the nightcap, collecting the consolation trophy in the second quarter and improving their record to 2-5 with a 29-23 victory.

Lincoln Place's Dave Zeffoff popped in 12 quick points in the first quarter against the Squires, and the Health Club took a 10-12 lead. Balanced scoring pushed the Squires ahead 28-26 at halftime, and the 7-0 league leaders broke the game open with 18 points in the third quarter while Lincoln Place scored 10.

Roca, with three players carrying the scoring load, also staged a strong finish, outscoring St. Bartholomew's 14-8 in the final period. The loss dropped St. Bartholomew's record to 1-2, while Roca's improved to 2-1.

Zeffoff finished with 16 points, while Roca's Larry Wright added 14.

The Five D's will meet second place St. Bartholomew's last night at 8:15 at the Namooki gym in this week's Senior Teenage wrap-up.

Pleads Innocent To Charge of 'Mischief'
Charles Hlaw, 29, 2424 Edwards street, was fined \$10 and costs today on a drunkenness charge filed earlier this week by Granite City, and pleaded not guilty to a malicious mischief charge filed yesterday by Kelsie Vandergriff, proprietor of the Home of the Blues tavern, 1539 S. 20th street.

Hlaw was taken into custody shortly before midnight Tuesday outside the Evergreen tavern on Namooki road where witnesses said he had thrown an empty bottle against the building. This he denied.

Police said he did admit to a drunkenness charge at about 10:50 p.m. Tuesday he had hurled a bottle filled with gasoline and a lighted rag wick at the Home of the Blues tavern. The bottle struck the sidewalk at the front of the tavern, and firemen, who answered the alarm, said there was no damage.

Hlaw was questioned by an agent for the state fire marshal's office yesterday before the complaint was filed.

His bond was set at \$1000 for appearance before Police Magistrate Gasparovic next Tuesday.

Man Sought In Attempt To Rob Teenage Girls
Venice police are seeking a man who attempted to rob or molest two 16-year-old girls in an alley at 9:22 p.m. Monday.

Several suspects have been questioned and cleared. The girls were walking along Washington and Venetian avenues when a man approached them from the alley entrance and told them that he planned to rob them. He ordered them to accompany him down the alley, and grabbed one of them about the waist as they walked along. When the two began screaming, he fled. The man was described as wearing an olive drab jacket, a turtle-neck sweater pulled over his face.

Need For Revenue
Because its funds from local wharf operations and limited some revenue-producing program appears to be the next logical step, the auditors went on to say that the agency must operate makes it necessary to either conduct such surveys through financial grants or to finance them with receipts of some agency project.

It was pointed out that the agency has many planning functions and already has conducted surveys on river pollution, St. Louis county sewers and area highways and expressways. However, the auditors went on to say that the agency must operate makes it necessary to either conduct such surveys through financial grants or to finance them with receipts of some agency project.

Causes Of Friction
Instances of alleged insincerity on the part of Missions were listed by members of the audience as including efforts to establish an airport on an island that has flooded in the past and to create an industrial park at Columbia Bottoms by building levees, boosting the land cost of an estimated five times that of Illinois industrial sites.

Friction also is resulting from Louis earnings taxes on Illinois residents employed in Missouri. It was noted, Illinois commissioners were urged to relay the complaints to the Missouri commissioners.

Illinois needs cited in the discussion were new industries, an airport in the southern part of Madison county, development of the East St. Louis riverfront and expanded park and recreational facilities.

Suggestions made during the St. Louis meeting included a union bus terminal and a master plan to guide the hundreds of political subdivisions.

St. Mary's Is Beaten, Ties For Civic Title
St. Mary's of Madison and St. Boniface of Edwardsville finished in a two-way tie for first place in the Quad-City Valley Conference last night after St. Boniface nipped the Madison squad 37-36 in Edwardsville.

John Novich netted 22 points for St. Mary's in a contest that saw the lead change many times.

Mike Dillon, Rich Huch and Harold Besserman each scored 20 and Elwood Besserman two. Tom Marving hit 15 of 25 shots from the free-throw line. In a "B" team game, St. Mary's won 92-71.

The tie will not be broken officially, but both teams involved in last night's battle will take 9-2 records into the conference tourney in Venice beginning Monday.

Chouteau Valley Tourney To Begin Monday In Venice

The Venice grade school gym will be the site of the annual Chouteau Valley Conference grade school basketball tournament Monday through Thursday.

Local entries in the eight-game meet are Venice grade school and St. Mark's of Venice. St. Mark's of Madison, the league leader, and Sacred Heart of Granite City.

Two games will be played each night of the tourney, with third-place and championship contests Thursday night. There is no consolation bracket. Games are scheduled to begin at 6:45 and 8:00 each evening.

Results of the blind draw at a conference meeting in Venice show St. Mary's opening St. Bernard of Wood River in the opening game and St. Mark's of Venice meeting St. Max of Alton in Monday's second game.

Tuesday's session pairs Venice grade school with St. Peter and Paul of Collinsville and Sacred Heart of St. Boniface of Edwardsville.

Cheerleading squads will be judged by a committee appointed by the tournament manager. No season tickets to the tournament will be sold. Prices of tickets are as follows:

Dupo No Match For Coolidge 9th Grade In 85-44 Contest

Coolidge 9th grade used superior height and hot shooting yesterday to down a Dupo team hindered by the loss of two players for disciplinary reasons. The score was 85-44, on the local floor.

Taking a 33-6 first quarter lead, the Braves were never threatened as they shot 40% for the game. The losers shot 22% and trailed 59-24 at halftime and 76-31 after three periods. Larry Wortham dumped in 27 points for Coolidge even though he sat out most of the second half. Bill Kounce had 19 for Dupo.

The scoring: Coolidge—Wortham 27, Boyd 12, Hoffman 9, Hahn 9, Papp 8, Moore 6, Tyson 4, Noblin, Lierman, Vangel, Hordecke and Reining 2 apiece.

Devils Keep Title Hopes Alive With '86-62 Win

Aviston Becomes 7th MBC Victim; Five Regulars In Double Figures

Back on the track after a mid-season slump which saw them lose four of their last seven games, Venice's Red Devils kept their Madison-Bond-Clinton Counties Conference title hopes alive Tuesday night with an 86-62 win over Aviston in Venice.

The 86 points set a new high for total points scored by a team in a 30-minute game. The Devils scored 34 points in the first half, but could not get the scoring help he needed.

Finish Strong
Venice broke on top in the second quarter after the teams had played to a 17-17 tie in the first eight minutes. Leading 36-30 at the half, the Devils inched the lead to seven at the end of the third quarter, and with an easy win on the strength of a 31-point fourth quarter.

Hand pulled down 17 rebounds in the contest, and Venice held a whopping 37-15 advantage in this department, which had a lot to do with the winners getting 86 points.

Venice hit 31 of 75 for 41%. The visitors matched the percentage on a less scale, with 24 buckets in 58 tries.

7-2 Mark In MBC
The victory gave Venice a 7-2 record in the Madison-Bond-Clinton Counties Conference, and enabled the Red Devils to keep pace in second place behind Triad, which trailed Livingston 88-48 Tuesday to up its loop record to 9-1.

The one loss the Knights have absorbed was to Venice. If the Devils can keep winning until the two teams meet again on Feb. 9, a tie for the league lead could develop.

Tuesday's third conference game was at St. Paul of Highland Park. Worden 71-61 and even its record.

Worden scored 19 points and Steve Wilcox 12 as the Venice junior varsity ripped Aviston 49-38 in the first game Tuesday.

The varsity scoring: Venice—Dont 31, Moad 15, Corrie 14, Wyatt 10, Gray 10, Wilcox 2, Devany 2, Koelker 2. Aviston—Trimming 24, Hugen 12, Weller 11, Von Hatten 5.

St. Paul, one of the two teams to defeat Venice in MBC play this season, will host the Devils tomorrow night in Highland.

The conference standings:

Team	W	L	TR	PP
Venice	7	2	875	575
Worden	6	4	587	588
St. Paul	5	5	655	639
Aviston	3	7	555	609
Worden	2	8	575	609
Bunker Hill	0	8	465	616

Draw Game Suspensions
Altan high schools age fourteen, which have not been the best of late, were dealt another blow early this week when two regulars, Center Jim Robinson and Forward Mike Yavorski, were suspended from the team by Coach Sherrill Hanks. Both seniors, they were dropped from the team for breaking training rules following the Redbirds' close win over Collinsville Jan. 22.

Both appeared in the game against Venice. Center Robinson was suspended for the following evening in which the Warriors came off with a 91-80 win, and were not suspended until Monday, Robinson, 6-3, was suspended for the rest of the season, Hanks said, while Yavorski drew an "indefinite suspension" and will be out at least until next week.

Khoury Loop Champions Get Trophies

Twenty-five trophies and nine service awards were presented Tuesday night at the Namesold school gym during the Granite City Park District's annual Khoury League basketball recognition meeting.

Teams which received championship awards for league titles won during the past season included:

Alton division—Marshall Tigers and Granite City Kiwanis; Bantam division—Taylor-Carl Rockets, Kent Grocers, Hornets, Washington Cards and Barneys Mugs; Midget division—Doyl's Optimists, St. Elsie's, Frohardt's Rockets and Bellefonte Reds; and Juvenile division—Eagles, who also received a national runners-up trophy.

Applauded to the winners of the park district's late season leagues were the VFW Cubs in the Atom division, Taylor-Carl Rockets in the Bantam division, Skierle Concrete in the Midget division and the Eagles in the Juvenile division.

Presiding over the presentation awards was park district President Barry Loman, while park Commissioner Clarence Baymeyer, Supt. O. H. Williams and Recreation Director Harold Brown also attended. About 250 players and parents were present.

Khoury league service awards were given to Ben Holand, the Granite City Press-Record sports writer; Ben Henkel, Supt. Williams, Festus Culpen, Fred Hacks and Brown.

Service awards were presented by Dr. Leo Coleman, organizer of the boys' basketball program here, to coaches who have served the leagues for the past nine years. Accepting was Clifford McGovern, chief umpire.

The park district award was accepted by Loman.

Following the awards presentation, which included a championship certificate for every member of a league championship team, the audience viewed films of the 1959 World Series.

Tigers Parlay Hot Third Quarter Into 66-56 Victory Over Madison

Edwardsville's Tigers looked like a better ball club than their 10-8 record would indicate Tuesday night in the course of a 66-56 triumph over the Trojans in Madison, but neither Tiger men nor Coach Charles "Buddy" Mueller expressed great surprise over the fact.

"This team (Edwardsville) can give anybody in the Southwest conference a rough time if they continue playing the way they did against us tonight," Mueller said.

Lucas also had praise for his Tigers, who were played to a standstill in the first half but walked off with the game in the third quarter.

"I thought the boys played one of their best games of the season," Javal Joe observed. "Ken (Conners) gave us a good game, and we had good balance. The boys seem to have jelled, and I'm not worried now about our winning more than we lose."

Conners, however, by a 4-4 tie, missed four games recently. Tiger men had him in the "big" games Tuesday night's date with the Trojans was one of them, and Conners responded with 30 points, two behind the Tigers' leading scorer, Gene "Bud" Valino.

Turning Point
Both coaches agreed that the turning point in the game was the third quarter. Lucas's strategy called for a sinking defense to clog the center lane and bottle

up Madison's Ed Walker. Mueller countered with an out-of-court shooting instructions but, unfortunately, Madison's guards were not up to the task in this game.

The Trojans outscored Edwardsville 21-16 in the second period to take a slim, 31-30 half-time lead. The "stop Walker" campaign waged by the Orange and Black proved only partially successful in the last 16 minutes, but the big advantage it gave the Tigers was excellent position under the boards.

Hold 10-Point Lead
The end results were some easy rebound shots which enabled the visitors to shoot 500 buckets when the Trojans were in point advantage and held it in spite of Madison's last-quarter protest.

The Trojans, now 11-4, had a miserable evening at the free throw line, hitting only three of 22 attempts. Walker, whose 25 points made him the game's top performer, converted only five of 11 tries, far below his average.

Edwardsville was 8-12 from the line in a game which was clearly controlled despite the fast pace of play and heavy traffic under both baskets.

Madison played without the services of John Young, 10, who must for the rest of the season, and Lucas was the first to admit that the over-coverage forward's absence was felt. "Any club would miss him," he commented.

And miss him the Trojans did.

Undefeated YMCA Boys' Teams To Meet Saturday

Lincoln Spills Mound City Lovejoy 69-67 After Loss To Windsor

Lincoln was both hot and cold last night before finally ending Mound City Lovejoy here, 69-67, behind the clutch free throw shooting of Robert Felton.

Only the night before, the Rams traveled to Windsor and absorbed their second actual defeat of the year, 81-67, although they have three "paper" defeats since they were to be defeated by the Rams due to an ineligible player.

The Windsor loss ended a seven-game winning streak, and last night a streak in the opposite direction might have been launched if Felton had not made four straight free throws with less than a minute to go.

The 69-67 win was the Rams' first in the early line in the year, but made the all-important last four tries. He led Lincoln in scoring with 22 points, with nine buckets on 16 shots.

"It was the best game of the year for Felton," Lincoln Coach Stan Lynch said after the game. "We needed it because the boys were really tired after that trip to Windsor last night."

The Rams had their lowest shooting percentage of the season even though they had all five starters in double figures. Robert Davis, who was high-point man against Windsor, hit four of 17 shots and Thomas Hall made four of 18 shots. The Rams made 28 of 70 shots for 40% compared to 47% for Lovejoy. The Pirates made 28 of 59 shots.

Lincoln Starts Strong
Lincoln, which had beaten Lovejoy on its own court, 95-70, in December only to forfeit the game, looked like it was going to repeat the rout when Felton made five fast-break layups to pace the team to an 18-10 first quarter lead.

After the Pirates rallied to close the margin to 33-30 at half-time, the Rams exploded to a ten-point lead late in the third quarter. Again Lovejoy rallied and started the last period trailing by 52-47.

With 55 left, Lincoln held a 67-65 lead when Felton stepped to the line twice and made four shots. An unimportant last-second layup by Lovejoy narrowed the margin to two points at the finish.

Bob Thompson, 6' 5" center, was the spark for Lovejoy as he scored 33 points, most on tips and easy layups.

The scoring: Lincoln—Felton 22, Chavis 14, Hall 12, Davis 11, Franklin 10, Lovejoy—Thompson 33, Alcox 13, Willie Kerby 8, McKinney 4, Oliver 7, Eugene Kerby 2.

Winning Streak Ends
The winning streak ended with a crash in the second half of

PLANNING MEETING FOR GIRL SCOUT LEADERS

The Juliettes, Neighborhood Three Girl Scout Leaders, met Tuesday evening in the Nameoki Presbyterian Church for a monthly meeting, with Mrs. Shirley Brown, chairman, presiding. Plans were outlined for a "service training" course to be conducted for Girl Scout leaders Feb. 16, 17 and 18, and for an outdoor training series scheduled for later this spring at the new Girl Scout camp, Camp Lakota.

Mrs. Brown announced that a camera is now available at the Girl Scout office for troop leaders desiring to photograph troop activities. A discussion was held on methods of conducting "court of awards," with the group voting to continue the present method of individual troop ceremonies, as opposed to a combined effort.

Preliminary arrangements being made for the annual "National Friendship Dinner" were discussed, along with plans for an "open house" program to be held March 22 from 1:30 to 4:30 p. m. It was announced that permission has been granted by the United Fund Agency for the local Girl Scout organization to use \$2818, collected by the troops during last fall's collection. Proceeds will be used for furnishing the lodge and other areas at the new camp.

Mrs. Doris Jolly, Neighborhood Three leader, was introduced as the newly-elected public relations chairman for the executive council. A reply was read from the St. Louis District Council, which offered to provide a representative to address the group on the value of nutrition at the April meeting.

The business session concluded with distribution of safety hint booklets provided by the National Girl Scout Council. Refreshments were served to 36 members by Mrs. Polly Thidall and Mrs. Gladys Green.

BIRTHDAY PARTY HONORS JEANIE SCHWARZKOPF

Mr. and Mrs. Francis Schwarzkopf entertained with a party on Sunday afternoon, honoring their daughter, Jeanie, who observed her fourth birthday. Gaily-colored streamers intermingled with balloons were looped throughout the Schwarzkopf home at 3619 Franklin avenue, where the party was held.

Many gifts were presented to the tiny honoree. Refreshments were opened, games were directed by the hostess. Successful contestants who received prizes were Kenny Reuter, Beverly Frazier, Mary Frances Vrabec, Anne DeRantz, Paul Becherer and Jayne Bruzewicz. The afternoon concluded with refreshments served by the hostess, who was assisted by the honoree's grandmother, Mrs. Frank Schwarzkopf, Mrs. Frank Schwarzkopf, Mrs. Arthur Frazier and Mrs. Harry Wasylak.

Other guests enjoying the party were Mrs. Robert Becherer and children, Paul, Mary Kay and Richard, Mrs. Joe Altman and children, Randy and Julie, of Belleville, Mrs. James DeRantz and children, Anne and Jo Marie, Mrs. Wasyjak and children, Mary Beth and Barbara, Mrs. Harold Wagner and children, Greig and Keith, Mrs. Eddie Bruzewicz and children, Jayne and Robin, Glen Carpenter, Sue Neuschwander of Edwarsville and the honoree's brothers, Johnny and Mark Schwarzkopf.

"SCIENTISTS" THEME FOR PACK 22 PROGRAM

Rocket ships and "outer space" themes illustrated the January Pack 22 met for its monthly parents' and cubs' get-together at Frohardt school auditorium.

Den Six cubs led by Mrs. Ann Kovach and Mrs. Peggy Jarnet officiated in the opening ceremony, with the entertainment portion of the evening directed by Mrs. Fern Wright, Mrs. Norma Oram, Mrs. Rose Douglas and Mrs. Mary Rohlfing. Boys of Den Two, Three and Nine performed to the theme, and games were played under the supervision of Mrs. Iris Watson and Den One cubs.

Cubmaster George Guadagnoli conducted an award presentation ceremony, with many cubs receiving merit badges. He also announced that former Cubmaster, Charles Rodwell will lead the new Webelos den.

Plans for the annual "blue and gold" banquet were discussed and it was set for 6:30 p. m. Feb. 23, at St. John United Church of Christ. Closing ceremonies will be given by Den Eight cubs led by Mrs. Betty Sidball and Mrs. Mary Tarpoli.

MRS. FREELING HOSTESS TO EVENING CIRCLE

The Evening Circle of the Nameoki United Presbyterian Women's Association held its monthly business meeting and program Tuesday evening, Jan. 22, at the home of Mrs. Ann Freeling, 2141 N. W. avenue.

Mrs. Bonnie Britton, newly-elected chairman, presided during a business session, with a world service report given by Mrs. Helen Rehagen, who discussed a cancer badge project recently initiated by the circle members. Mrs. Rehagen asked that ladies meet again at the home of Mrs. Louise Thompson, Feb. 1 to cut and prepare the badge.

Mrs. Britton read names of the missionaries and offered prayers for their efforts. The lesson, taken from "Hymn Book of the Ages," dealt with Chapter One of the new study book, "Why the Psalms?" and was presented by Mrs. Fern Mitchell. A social hour followed, with a course served by the hostess to the above ladies and Mrs. Mildred Fleener, Mrs. Helen Rehagen, Mrs. Twyla Marcum, Mrs. Bea Pyle, Mrs. Imbrie, Mrs. Lulu Pyle, The circle will next meet with Mrs. Taylor at her home on Primrose avenue.

SKATING MEET WINNERS

Miss Clydelle Hackney, daughter of Mr. and Mrs. Ellis Hackney, of Ferguson, avenge a defeat by skating away with two top honors Sunday afternoon at Troy, Ill., where she participated in an association-sponsored roller skating invitational meet. Awarded first place trophy in figure skating, intermediate division, she scored again when she and her partner, Noel Simpson of Collinsville, went on to win first place trophies in novice singles and pairs. They were joined by Miss Sandy Bursch and Monty Luther of East St. Louis to win third prize in the quartet contest. The latest in a series of concerts by the Granite City high school concert band will be presented at 8 o'clock tonight in the high school auditorium under the direction of Louis Meek.

The concert will include seven selections by the high school band and the appearance of the McKinley school elementary band as special guest performers.

The concert band will open its portion of the program with the "Washington Grays March" by Graffula. Following in order will be "Green Cathedral" by Hahn, "Prelude" by Massenet, "Procession of the Nobles" by Krasnov.

Science Theme At Cub Pack Seven Meeting

Cub Pack Seven held a monthly pack meeting Tuesday evening at St. Joseph's Catholic Church, with Cubmaster John Winkles in charge.

Conforming to the January theme, "Cub Scout Scientists," boys of Den Four displayed an electrical model of a duck which featured a specially designed switch for elevating miniature boats. The display was arranged by the den mother, Mrs. Matthew Casparovic.

Plans for the annual "blue and gold" banquet were announced by Winkles, with the final date scheduled for Feb. 21. During an award presentation ceremony, merit badges were received by Michael Casparovic and Allan Stockert and dinner prizes by Tommy Hildebrand and Joseph Szymczek. Michael Thornton and William Dallas received assistant dinner prizes.

The "good conduct" award of the month was presented to Mrs. Szymczek, Den One leader. The remainder of the meeting was spent viewing a talent show, with cubs of Dens One, Two, Three and Five presenting a series of acts dealing with a "men from space" theme.

Approximately 65 enjoyed a social hour and refreshments followed the meeting.

GC Rotary Club Tours Mental Health Clinic

Granite City Rotarians, who financed furniture for the new Granite City mental health clinic, toured the center following their weekly luncheon meeting Tuesday.

The tour was led by Mrs. Eva Meier of the Madison County Mental Health Society. Introduced by Dean Maberry, Mrs. Meier addressed the club during its meeting, tracing the preparations for establishment of the clinic.

Recalling intensive efforts by Quad-City directors of the society to have a clinic here as well as in Alton, Mrs. Meier pointed out that there has been a great need for counseling at the clinic.

Noting the 200,000-plus Madison county population and estimates that one in ten people have emotional problems at some time during their lives, she said there are potentially many thousands of persons who may feel the need for counseling at the clinic.

The club voted to place major emphasis during 1960 on its annual benefit horse show, which was started last year. The Rotary horse show will be held in abeyance of the time being, with tentative plans made Tuesday for a 1961 horse show.

Dr. E. L. Ackerman, president, presided and appointed a non-paying committee headed by Homer Huber. Nominations of new officers are to be made in February, with the election taking place in March.

Plans were made for officers of the club to attend a banquet at the St. Louis Rotary club home.

Members of the local association also are eligible to attend the Alton Community Concert Association's presentation to night at the Alton high school auditorium. The Andre Eglevsky dance company will perform at the 8:15 appearance.

Boy Loses Cornet

Rory Ervay, 2120 Pontoon road, reported to Granite City police Tuesday that he had lost a cornet in a blue and brown coat at Wabash avenue and Pontoon road.

\$1,800,000 State Aid To Quad-City Schools, Up 40%

State aid to schools in 1959-60 is up 40% in the Quad-Cities. With a \$25-a-pupil increase in flat grants, Madison county schools will now receive \$47 per grade school pupil and \$52 per high school pupil. In addition to the flat grants, special aid has been increased from \$178 to \$205 for each grade school pupil and from \$193 to \$220 for each high school pupil.

The first state aid payments based on school district attendance reports for the 1959-60 fiscal year will be made in February of this year. This amount will be one-twelfth of the annual amount listed above, and the same amount will be paid to each district through July.

Payments after July will be based on amended state aid claims filed in June at the close of the school year.

Since state aid payments are made on the basis of pupil attendance reports which are filed twice a year, there is generally a small difference in the amount of payments from February to July and those for the following six months beginning in September or October.

According to a report received from C. Allen Fort, director of finance and statistics, Madison county will receive \$5,726,959 for the 1959-60 fiscal year, up from last year's payment of \$3,606,252.

The increase results from new state aid provisions approved in the last general assembly and a half-cent increase in the sales tax.

Madison High Student Injures Hand On Pencil

A Madison high school football player jammed a lead pencil point into his right hand while playing basketball Tuesday.

The freak accident occurred when Edward Petty, 16, son of Mrs. Addie Petty, 520 Webster street, shot at the basket during school hours in the MHS gymnasium. When his hands came down, he struck a pencil which was in the pocket of his trousers.

He was taken to St. Elizabeth hospital where the lead was taken out and two sutures were applied to the wound.

In another case Tuesday, Stanley Manooch, four, son of Mrs. Addie Petty, 520 Webster street, shot at the basket during school hours in the MHS gymnasium. When his hands came down, he struck a pencil which was in the pocket of his trousers.

Mr. Palgrove, 71, Dies of Kidney Ailment

Mrs. Leammi Palgrove, 84, of 2227 Bryan avenue, died of a kidney ailment at home at 10:30 a.m. Tuesday. She had been in failing health six months.

A native of Fulton, Ky., Mrs. Palgrove lived in Granite City 30 years. Her husband, John Palgrove, is retired. A son, Herbert Palgrove of Granite City, owns the Cut-Rate Food Market at 1903 Fifth street in Madison.

Also surviving are two other sons, Herschel Palgrove of Jacksonville, Ill., and Herman Palgrove of Granite City; a daughter, Thomas Morris of Detroit; a sister, Mrs. Alice Simmons of St. Louis; five grandchildren and eight great-grandchildren.

Funeral arrangements are given in today's obituary column.

MORE ABOUT Science, Language

(Continued from Page 1)

ities and needs, making them more conscious of their own abilities, and, continuing to help each student to help himself.

"2. To continue the emphasis on basic skills in all academic areas.

Enriched Program

"3. To provide an enriched program in the academic areas as well as in such practical arts as industrial arts, art and home economics. We will not just maintain the elementary skills but enlarge them in the junior high.

"4. To provide varied experiences in the practical arts as an exploratory program to find out their abilities and interests.

"5. To provide additional work in band, vocal music and physical education, including correction of posture and physical defects.

"6. To provide athletic experiences for all pupils who are physically fit. Purpose will be to give all boys and girls an opportunity to learn new skills and give all a chance to participate in athletics, as well as having school athletic teams.

Emphasis On Guidance

"Actually, the guidance emphasis in the junior high school is one of its most important functions," Dr. Kaiser said.

"For example, pupils entering the seventh grade for the first time must select a course of study which consists of English and social studies, math, science, music, art and industrial arts or home economics.

"The student has an opportunity to take developmental reading, foreign languages or to continue in other areas, such as science. A similar course of study is outlined for the eighth grade.

GCHS Plans While in 8th Grade
"However, in the eighth grade, the pupil is now required, with the assistance of a counselor and teacher, to outline his four-year high school program. The purpose of outlining such a program in this grade is to have students and parents plan for the individual's future.

"Parents will be consulted, and the programs will be reviewed each year. The parents will have an opportunity to approve or reject the selection of courses, and all will know what their children are taking.

"The programs can be changed, of course, after they are outlined. But with good guidance, we feel it will be best for the pupils, with their parents, to select the course of study for the ninth to twelfth grades while they are still in the eighth grade.

"It is recognized that guidance is necessary and practical if the school is going to develop each child to his maximum abilities, interests and needs.

Many Advantages

"The junior high school program has many advantages over the program that is now in operation in our school system.

"The two-hour block of time in grades seven and eight will provide a home room guidance situation for all students.

"The academic program is being strengthened through the offering of foreign languages in grades seven and eight. It is hoped that two years of conversational German or Spanish in the seventh and eighth grades will be recognized as equivalent to one year of high school, enabling students to begin with the second year of the high school language course in the ninth grade. If they have started it in the seventh grade.

Challenge All Students

"In the area of science, all pupils will be permitted to take additional courses. It is important that we remain able to challenge all students, regardless of their ability.

"Biology will be offered in the ninth grade as well as general science. At present, pupils have only been permitted to take general science in the ninth grade and biology was offered only in the tenth grade. Since colleges do not recognize general science for credit, the ninth grade biology offering will enable students to take science courses for a full four years of credit between the ninth and twelfth grades.

"More emphasis will be placed upon helping pupils entering the more difficult areas in mathematics. Those talented students between general math and algebra.

Reading Skills

"Additional offerings will be given in grades seven, eight and nine in developmental reading, both for those still needing to master reading skills and those wishing to further improve their reading ability. Those talented students who are interested in developmental reading will do so during the period that would be their lunch hour study hall.

"Social studies will be strengthened by the offering of a course in citizenship in the ninth grade. This will bolster present courses intended to create good citizens.

"Those talking, those interested in taking speech or little theatre. These courses will be offered in the ninth grade, making possible an early start on dramatic art. Also, speech will be offered in grades seven and eight.

"It should be pointed out that these courses indicated are guides for the development of each pupil.

Staff Expanded

"Last year and this year, we have added additional counselors for boys and girls in the Coolidge and Central junior high schools. This also has been accomplished at the senior high school.

"There are professional people for more counseling and guidance has been realized. We have the staff now to provide the counseling that the students need.

"There is still planning that must be done in the Junior high school area. For example, materials must be ordered, including textbooks and other materials. Also, the program must be outlined, and hand programs must be developed. Courses of study must be outlined in the various subject areas.

Lockers For Textbooks

"There will be a different use of textbooks. At Central, due to a lack of locker space, pupils leave

SOCIETY Moose Women Hear Talk By Probation Officer

James Reideleberger, chief juvenile probation officer for Madison county, was guest speaker for the regular monthly business meeting and program of Women of the Moose, Chapter 247, held in the Moose Hall, Wednesday evening, Jan. 27.

The attendees were Mrs. Thelma Knapp and Garland Horn. The flower girl was Barbara Jo Still, niece of the groom, and ring bearer was Lorraine Frazier. Ushers were William Knapp and Keith Ma-

lenius. The bride was given in marriage by her father, Her gown was white lace over taffeta and floor length, with a low, round neckline and a short sleeve. There was a white satin cummerbund with a full flared skirt. She wore long lace mitts and carried white roses on a white ribbon. She wore a fingertip veil of nylon held in place with a crown of seed pearls.

Mrs. Knapp wore a light blue gown with lace top, low neckline and a floor-length skirt with a large bow in back. Her hair was a light blue nose-length veil, and she had a corsage of yellow pom-poms.

Robert Miller Jr. Is Graduated At Rolla

Robert E. Miller Jr., husband of the former Miss Alice Marie Toth of East St. Louis and son of Mr. and Mrs. Robert E. Miller sr., 1636 Moro avenue, graduated earlier this week from the Missouri School of Mines, Rolla, Mo.

He received a B. S. degree in Mechanical Engineering. A 1952 graduate of the Granite City high school, Miller served two years in the U. S. Navy, assigned to the submarine service. He is a member of the Delta Sigma Phi Fraternity, American Association of Mechanical Engineers and the American Society of Automotive Engineers.

Miller left this morning for Anderson, Ind., where he has accepted a position with the Delco Remy Division of General Motors.

Recuperating At Home
Miss Judy King, daughter of Mrs. Lovie Williams, 2226 Bryan avenue, is recuperating at home, where she returned Wednesday morning from St. Joseph Hospital, Highland. Miss King, a Granite City high school senior, underwent an emergency appendectomy eight days ago.

COMMANNER SPEAKS
TO AUXILIARY GROUP
The American Legion Auxiliary, Tri-City Post 115, held its semi-monthly meeting last night in the Legion hall, 24th and Madison avenue, with Mrs. Ella McKittrick, president in charge.

Mel Steiger, new post commander was a guest and addressed the auxiliary group for the first time since taking office. Plans were made to provide several helpers in the Heart Fund Drive, scheduled to be held Feb. 28.

A social hour was enjoyed with games played for entertainment. Awards went to Mrs. Doris Edwards, Mrs. Lucille Hanebrink, Mrs. Loretta Breckenridge, Mrs. Carmen Toth, Mrs. Bernice Spach, Mrs. Dorothy Johnson, Mrs. Cecelia Malotki and Mrs. Asia Dishon.

Refreshments were served by Mrs. Lucille Cooper and Mrs. Dorothy McCain.

Lobster Sauce

3 tablespoons butter or margarine
3 tablespoons flour
1 1/2 cups milk
1 tablespoon lobster coral
3/4 cup cooked lobster, diced
Melt the butter, add flour and milk. Cook until thick, stirring constantly. Blend the lobster coral in it. Add the diced lobster.

Grilled Sardine Sandwiches
2 hard-boiled eggs
6 slices bread
2 cans sardines
Mayonnaise
Slice the eggs. Toast the bread on one side, turn over and spread with mayonnaise. Place sardines on bread and broil five minutes. Arrange eggs slices over sardines and serve at once.

SHOWER HONORS

MRS. NOVOSHEL
Mrs. Nick Novoshel was honored Sunday afternoon at a pink and blue shower given at the YMCA. Many gifts were received.

Arrangements for the shower were made by Mrs. Barbara Plantz, Mrs. Marie Moeller, Mrs. Ann Allen and Mrs. Ann Tarasovich. Games were played with prizes being awarded, and refreshments were served by the hostesses.

Those attending were Mesdames Joe Dziadzi, Minnie Broadwater, Mike Sasyk and children, Nick Sasyk and daughters, Eva Sasyk, Caroline Novosel, Tony Novosel, Jim Novosel, Steve Novosel Jr., Julie Plantz, Sophie Jaraski, Donald Hasty, Bert Hasty, Agnes Freeman, Eva Gitch, Barbara Edrington, Elsie Rutkowski, Tom Graves, Mollie Besserman, William Vavra, Sophie Derner and 4 daughters, Frank Kierski, Joe Dadasch, Mary Williams, Albert Noud and son Casimir, Blaszynski, William Paschke, John Davis, Diane Broadwater, Barbara Plantz and Miss Joan Besserman.

MRS. STEIN HOSTESS
Mrs. Geraldine Stein was hostess to the Bethany Sunday school class of the First Baptist Church in her home, 1542 Second street, Monday evening. The meeting opened with the class song.

Mrs. Gertrude Ashford offered prayer with the devotion for the month, "The Magic of Faith," being given by Mrs. Naomi James. Roll call was answered with quotations from "One of God's Promises." Home movies were shown by the hostess of vacations taken previously.

At the conclusion of the business session and social time, refreshments were served to Mrs. Hilda Jackson, Mrs. Grace Hamilton, Mrs. Bernice Whitten, Mrs. Dorothy Diemeyer, Mrs. Lucille Brooks, Mrs. Gertrude McMurray and the teacher, Mrs. Lucille Vesch. The next meeting will be held in February.

JOY CLASS PLANS

FAMILY NIGHT

A monthly meeting of the Joy class of the First Methodist church was held Tuesday evening at the church, with Mrs. Thelma Black giving the lesson on Prayer.

During the business session, plans were discussed and arrangements were made for a "family night" to be held in the basement of the church Feb. 27. Each member attending is to bring a new or used toy for the nursery of the church.

A discussion was held on redecorating the nursery in the future. Funds donated at the family night are to be used toward projects for improvement of the basement of nursery.

Refreshments were served by Mrs. Creighton to Mr. and Mrs. Robert Black, Mrs. Dave Richardson and children, Lisa, John and Angie, Mrs. Catherine Okal, Wesley Clemons, Mr. and Mrs. Louis Creighton and daughter Carol, and Rev. and Mrs. H. E. Dickey.

Leonard Fowler conducted the opening of a weekly meeting of Den Three of St. Mary's Club Pack 47, in the home of the leader, Mrs. Ratkiewicz, 1608 Fifth street. The meeting opened with prayer, the pledge of allegiance and the den yell. The Cubes painted bear heads which they have made as a handicraft project with the assistance of Den Chiefs Billy Steiner and Andrew Ratkiewicz.

Games were played and singing was held. James Kosak led the closing. Refreshments were served to Eugene Kierski, Timothy Morton, James McClure, Albert Hudzik, Robert Wojtowicz, Daniel Timko, Arthur Ratkiewicz, Gary Wasyluk and the den chiefs.

A special meeting is to be held Tuesday at 7:30 p.m. in the cafeteria of St. Mary's school for the parents of all cub scouts and boy scouts of Troop and Pack 47 to make plans for the blue and gold banquet to be held during February.

Local Men Leading Fund Drive For Eureka College

G. H. Sternberg and Rev. James R. Craddock, pastor of Central Christian Church here, will serve as co-chairmen at a meeting to be held this evening.

Dr. Ira Langston, president of Eureka, which is associated with the Christian Churches (Disciples of Christ). The dinner meeting at 6:30 will be held in the First Christian Church, East St. Louis, and

a similar regional meeting will be held Sunday at the Christian Church at Litchfield. On Feb. 9, a sales school convocation will be held at Central Christian Church here. Following the dinner, the Optimist training film will be shown.

Dr. Ira Langston, president of Eureka, will be guest speaker at this evening's meeting. The college, established in 1855, has launched a \$700,000 fund campaign in the state in order to attain accreditation with North Central Association of

Colleges and Sunday Schools. To date, the \$400,000 mark has been passed.

Sternberg, a local contractor, said Feb. 7 has been designated as Eureka College Sunday and speakers recruited from the faculty, students, trustees, staff and friends will fill the pulpit of Christian Churches. Miss Norma Brown of Eureka College will speak here.

Those winning prizes for games were Carol Krick, Carol Hastings and Donna Lorenz. The hostess next month will be Donna Lorenz, 2617 Washington avenue.

The Guild girls of St. Zion Church held a monthly meeting Monday night at the church, 21st and Benton streets. The program consisted of a play "This Is Africa," narrated by Virginia Collins. Those participating were Hilda Collins, Sylvia Kindley, Patsy Sipes, Glenda Lawrence and Deana Monroe.

Singing was led by Gretchen Kindley. Guests were the Guild of the Faith Chapel of Mitchell with Mrs. Thelma Gobbie and Mrs. Nell Woods as sponsors. Other guests were Dorothy Selser, Ruth Wiser, Alice Myrns, Shirley Colbert, Lavon Woods and Gloria Gobbie.

Den One met Monday in the home of Mrs. Marie Szymek, 2054 Fourteenth street. Those present were Joseph and Anthony Szymek, Billy Dallas and Larry and John Mang. The boys practiced a "Rocket to the Moon" and made space out of ties. Refreshments were served by the den mother. The next meeting will be Tuesday and Joseph Szymek and Billy Dallas will receive dinner and assistant dinner badges at the next pack meeting.

Charge Filed After Crash On Madison Ave.

A charge of following too closely was placed against Helen E. Bass, 25, of 2028 Washington avenue, who was issued an arrest ticket about 4 p.m. yesterday after a traffic accident in the 1700 block of Madison avenue. She posted her driver's license as bond.

Police said she was driving north on Madison avenue and struck the rear of an auto driven north by John Tarpoft, 74, of 2621 Madison avenue, who was stopped for traffic. She told police the brakes on her auto failed.

Traffic Accident At

21st and Madison Ave.

Autos driven by Ralph Painter, 44, of 422 Lincoln avenue, Venice, and Christie C. Hays, 38, of 4728 Vincent avenue, were involved in a collision yesterday afternoon at 21st street and Madison avenue. No injuries were listed by police. Painter was traveling west on 21st street, while Hays was going south on Madison avenue, according to the report. Hays told police he did not see Painter's auto as another car was making a turn and blocked his view of the corner.

Motorist Reports Hit-Run Accident On Madison Ave.

A hit-run crash on Madison avenue at the Niedringhaus avenue intersection was reported to Granite City police by James Orescovich, 22, of 1115 Grand avenue. Orescovich said the mishap occurred Tuesday morning when he was pulling away from a stop sign and the left rear fender was struck by a hit-run driver who sped away.

He will receive dinner and assistant dinner badges at the next pack meeting.

SOCIETY

Jr. High PTA Hears Outline Of New Education Program

An explanation of the new year, starting in the seventh grade, students will be allowed additional electives, which presently only include band, vocal music and art. The electives will be increased to include academic subjects such as science.

Seventh and eighth grade students will be given a choice of foreign languages to include possibly German and Spanish, Johnson said. The results of the new-type program will be under close observation for three or four years, and modifications made to correct unforeseen problems.

He discussed the high enrollment increase during the past eight years and the resulting school housing problem. With an anticipated enrollment in excess of 2500 in junior high school, next year, problems still remain, even with the opening of the new West Side junior high school, Johnson said. Approximately 500 seventh grade students will still continue to be taught at Central school.

A question and answer period followed. Preceding the speaker, the Optimist Boys' Club, under the direction of Warren Simpkins, gave a musical program. The boys were accompanied at the piano by Miss Mary Cox, a high school junior.

Members of the choral group introduced themselves and told their schools and music instructors. Among the numbers presented were "Old Paint" and "Ezekiel."

Charles McCollum offered the PTA prayer, and President Charles Jungels was in charge of the business meeting.

Area Council President-Elect Harry Wood spoke briefly to the group on the leadership training program for Parent-Education, to be sponsored by the central PTA group on four successive Saturdays, March 12, 19, and 26 and April 2, at the high school.

A report on a recent meeting was given by Principal Ralph Frohardt, who said volunteers will be sought to take a school crossing traffic survey in February. Year books were distributed with Jungels commending Mrs. Doris Thompson, who compiled the manual.

A social hour was enjoyed following the meeting with refreshments served by Mr. and Mrs. Ford F. Johnson, assisted by

PEO Sisterhood Hears History Of Organization

A Founder's Day program was presented by Mrs. Gladys M. Chapman, during the January meeting of Chapter III, P.E.O. Sisterhood, Monday evening, at the home of Mrs. Goldie Fischer, 2527 Madison avenue.

Mrs. Chapman used as her topic, "Follow The Star," emblem of the Sisterhood, which was founded in Mount Pleasant, Ia., on Jan. 21, 1883, by Mary Allen Stafford, Alice Bird-Babb, Hattie Briggs Bosquet, Suela Pearson Penfield, Franc Rhodes Elliott, Ella Stewart and Alice Coffin.

Mrs. Chapman, founder of the local chapter on Nov. 2, 1901, described the growth of the Sisterhood from its original seven members. As a special feature she displayed several magazines, and clothing items dating from the period of the founding, nearly 100 years ago.

Mrs. Loretta Reiske gave a vocal selection, "Daisies, Won't Tell," to conclude the program. A brief business session was conducted by Mrs. Reiske, president, and members agreed to meet in two weeks for an afternoon program in the home of Mrs. Lucille Rodenryer, 2519 Edison avenue.

A dessert course was served to 20 ladies by the hostess before adjourning.

Mrs. Raymond Henley, PTA, the junior high school, PTA will hold its next regular meeting Feb. 22.

Hospital Auxiliary Enrolls Members, Plans Festival

St. Elizabeth Hospital Auxiliary welcomed three new members during the January meeting Monday evening at the hospital. The president, Mrs. Elizabeth Kelly, presided.

The newcomers are Mrs. Lorraine Thebeau, Mrs. Harriet Knoble and Mrs. Olie Clare. Preliminary plans were discussed for an "Annual Festival," to be held April 24 with Mrs. Martha Fuge and Mrs. Dawn Kamm asked to serve as co-chairmen of the arrangement committee.

Mrs. Irene Arrulen was appointed by the president as general coordinator for a benefit bazaar to be conducted by the auxiliary group in February, as its initial Spring project.

Members elected to sponsor a student nurse through a three-year training course, with a stipend made for the trainee to receive her instruction at an Illinois hospital. Prospective student nurses in the area, who are interested in sponsorship by the auxiliary are invited to contact Mrs. Kelly.

Executive board members were asked to meet Feb. 15, at the hospital for a planning session and revision of by-laws.

The remainder of the time was spent socially with refreshments served by the Sisters to 28. Receiving the evening's awards were Mrs. Rose Schank, Miss Helen Heller, Mrs. Merle Caley, Mrs. Bertha Szellar and Mrs. Joan Jackson.

Jayhawks Upset League Leading Fireballs, 54-53

The Jayhawks built a big first-half lead and then nearly blew it to a determined Fireball five in the second half Monday night, but still managed to upset the league-leaders 54-53 in the YMCA Teenage basketball league.

The victory, coupled with a forfeit decision over Rock Club in a scheduled make-up game, gave the Jayhawks firm possession of third place with a 7-4 record.

The Fireballs maintained first place by being handed a forfeit decision over Madison in another rescheduled make-up contest while the Spartans held onto second place by stopping the Night Owls 50-44 in the even-

Class For Beginning Scuba Divers Feb. 3

The fourth in a series of scuba diving classes for beginners will hold its first session at the YMCA pool next Wednesday Feb. 3, under the direction of Instructor A. J. Mueller Jr.

A total of 25 beginners has completed requirements for the course. In addition, two adult scuba divers classes have been graduated.

Requirements for enrollment in the latest class are the ability to swim and registration at the YMCA on or before Monday. Inquiries should be directed to Miss Pat Mega or Rich Hughes at TR 6-7200.

Beginning scuba divers are taught how to use snorkel tubes and the aqua-lung, and receive instruction in water safety.

Wins National Rating As Basketball Official

Mary Ann Land, 2944 Iowa street, is one of six Southern Illinois University women students who have won national ratings as basketball officials. It has been announced by the Women's National Officials Rating Commission.

The ratings, based on rigid examinations which include all phases of basketball, were announced by Miss Charlotte West, chairman of the Southern Illinois board of the national commission and a member of the SIU women's physical education department.

HONORED ON SILVER WEAVING ANNIVERSARY

Mr. and Mrs. Ella Mitarsoff entertained with a dinner party Sunday at their home, 2720 Iowa street in honor of their silver wedding anniversary.

A three-tier wedding cake decorated with the numerals "25" centered the table. Guests were Mr. and Mrs. Steven D. Soney and Dr. and Mrs. Sterioff of St. Louis, Mrs. D. L. Koonieff and Mr. and Mrs. Steven Yovandic and daughter, Yvonne, of Madison, Mr. and Mrs. John Malinoff, Mr. and Mrs. John Ropac, Miss Lucille Georgeff and Mrs. Mitarsoff's brother and sister-in-law, Mr. and Mrs. Nicholas Vukovich and daughter, Mickey Jane. The couple received many gifts.

Donald Ray Jr., infant son of Mr. and Mrs. Donald McNew, 4920 Lakeview drive, was christened Sunday afternoon at St. Elizabeth Catholic Church. Spouses were Mr. and Mrs. William Falk, after the christening, a luncheon was served to Mr. and Mrs. Milton Sherman, Mrs. Cecelia Deterding and Mr. and Mrs. William Falk.

Michael and Danny Krause entertained with a wiener roast and skating party Sunday afternoon. Others present were Jerry Busby, Bobby Norton and Ray Hanson.

The Young Christian Fellowship of the Central Christian Church had six children from the Children's Christian Home in St. Louis as guests Sunday.

Motorist in Crash Pleads Not Guilty

Pleadings of not guilty were entered Tuesday by Omer Smith, 46, of 2234 Dewey avenue, who was charged with reckless driving and driving on the wrong side of the street following an accident Monday night at East 20th and Sherman streets. He was freed on \$300 property bond to appear for a hearing before Police Magistrate Gasparovic on Feb. 5.

Police said Smith was driving west on 20th street when his auto crossed the center line and sideswiped a tractor-trailer truck operated east by Frank Heasley, 36, of Terre Haute, Ind. There was damage to the left front and side of the auto, which was towed away, and no damage to the truck.

The police report stated that Smith's auto traveled 1 1/2 blocks after the crash before stopping.

Historical Society Seeks Old Photos For Museum

The Madison County Historical Society is seeking pictures of early landmarks and personalities in each of the townships in the county for its files. Secretary Miss Jessie E. Springer said today.

"These priceless treasures are being lost," said Miss Springer, "when older residents die and families move into smaller houses without attics."

Madison county residents are being asked to donate or loan such pictures, and the society is making arrangements to copy pictures which owners do not wish to part with, provided they have sufficient historical value.

Miss Springer said the museum is especially interested in obtaining early photographs of the

City Studying 2 Bids For New Patrol Cars

Two bids for five new police patrol cars were received Monday night by the Granite City council and were referred to the Police Committee for recommendation.

The proposals were submitted by Mathews Chevrolet Co. and Farrington Motor Co. both of Granite City. Mathews' figure was \$5237 for five Chevrolet five Dodge Darts.

City specifications were for four eight-cylinder, black and white four-door sedans and a dark green or dark blue sedan. All are to have automatic transmission, a spotlight on the left side, arm rests, sun visors, side door front seat cushions, large floor covers, large heaters and defrosters, directional lights, oil jets and spotlights on the left side.

The city is to trade in a 1959 Chevrolet and four 1959 Plymouth patrol cars.

Dr. Vasiloff Completes Research Seminar

Dr. John H. Vasiloff, 2006 Cleveland blvd., has returned from completing the 11th Park-er chiropractic research seminar at Fort Worth, Tex.

The 35 hour post-graduate concave presented the latest developments in curing disease through chiropractic natural methods. Demonstrations and lectures were conducted by world traveler, Dr. James W. Parker, of Fort Worth, who operated 18 chiropractic clinics and studied successful methods employed throughout the United States, Canada and Europe.

Stark Pleads Not Guilty To Carrying Weapon

Leroy Paul Stark, 28, of 1919 Russell street, who was arrested Saturday night at a Stallings area, turned by county authorities and then turned loose Sunday morning, was charged Monday on a sheriff's office warrant with carrying a concealed weapon, a revolver.

Appearing before Granite City Police Magistrate Gasparovic on Monday, Stark pleaded not guilty and was freed on \$250 property bond pending a hearing.

Dairy Asks City For New Loading Area

A request from Dressel-Young Dairy for a new loading area on Benton street was presented to the Granite City council Monday night and was referred to the aldermen of the Third Ward and superintendent of streets for recommendation.

In a letter to the council, it was explained the firm plans to expand cold storage facilities, closing a driveway between the dairy building and garage. To facilitate load-out and ease congestion in the plant yard, the dairy proposes to pave a driveway between the building and street for trucks to pull onto what is now the sidewalk to load. The trucks would not extend into the street, and it was pointed out there is very little pedestrian travel along the sidewalk. The loading period would be before 7 a.m.

Another letter concerning driveways was read to the council. It was from William R. Bascom, vice-president of Granite City Steel Co. to City Atty. William Beatty relating to asphalt driveways on State street and Edison avenue at the new office-bank building. Bascom said to comply with the city's demand for concrete driveways would cost \$2586.

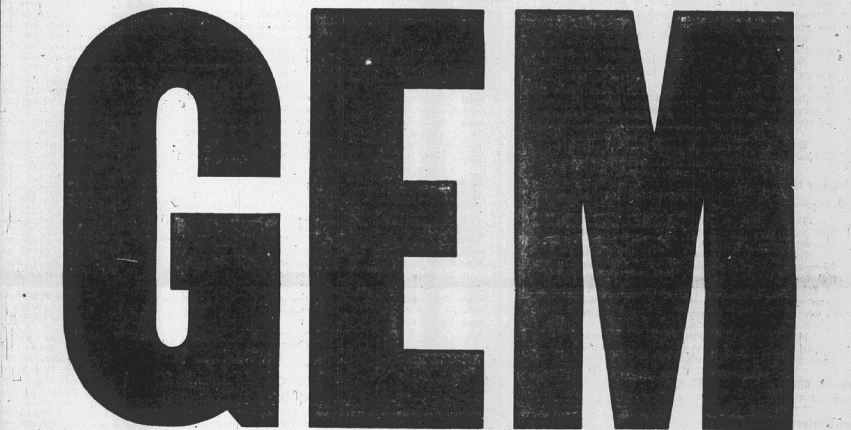

Alderman Walter Norn, who has objected to the asphalt driveways, read the letter to the council, and said the matter was in the hands of the city attorney with instructions to force the asphalt driveways to be removed and replaced with concrete.

Facts On Traffic Volume, Surface Conditions Can Show Which Streets Need Improvement First

"Aldermanic courtesy" is an age-old practice in which ward representatives avoid group decisions about matters in their neighborhood; they invoke an arbitrary right to dictate the government's policy in the ward they represent. But the custom cannot be passed off as merely an expedient relationship in which "you scratch my back and I'll scratch yours." What it does is discard the judgment of the elected body and replace it with the opinion of one or two council members, not necessarily to the taxpayers' advantage.

A classic example is provided by the current controversy over whether Cayuga street, which is paved with concrete should be widened and resurfaced at an estimated cost of \$60,000, the equivalent of about four monthly installments of motor fuel taxes for the entire city.

Merits of the proposal do not appear to be receiving consideration as the chief issue; instead there is an implication that if other aldermen do not go along with the Fifth Ward representatives, they stand little chance of having their own projects approved. Improvement projects in their own wards, of course, are helpful or election time, since voters expect their aldermen to keep their areas abreast of the rest of the city, as well as help guide the overall operation of the municipal government.

There is even such a thing as "senatorial courtesy" in the august governmental chambers in Washington; yet the public interest must be considered somewhere along the line or the courtesy system can backfire and leave both officials and the public the losers.

The West Granite area is an important part of the city and needs good streets. The question at hand is whether any streets in West Granite and other neighborhoods are more acutely in need of improvement than the already-paved Cayuga street. The issue certainly is not neighborhood against neighborhood, for some West Granite streets need improvement and will appear on any list of Granite City streets needing attention.

Granite City, with only 30% of its streets so far designated as arterial, needs more arterial streets. It is in a position to perform much-needed street work in many sections. A procedure in which traffic volume and present road conditions are evaluated would enable the city to determine what streets should receive priority in the planning.

Important determination and follow-through on street needs would have a much more salutary effect than strict adherence to aldermanic courtesy. Streets in every ward would be improved, and at the same time taxpayers would have more reason to believe that the best use was being made of their funds. A program based on facts rather than opinion could do much to restore confidence.

Good manners are good form, even on the highways.

February Noted For Valentine's Day, Birthdays—And Income Tax Anniversary

The month of February has had a rough time keeping its days together, and some taxpayers may wonder whether it was worth the trouble.

February was not even included in the year when Romulus, one of the founders of Rome, drew up the first Roman calendar. Numa Pompilius, the second king of Rome, added February to the calendar from a Latin word meaning "to purify." This was the month in which the Romans were purified for religious festivals in the following months.

Numa, who also added January to the calendar, tucked February, as it was called, onto the end of the year. It was not until hundreds of years later, in 452

B. C., that February found the place it occupies today, directly after January.

In the meantime, the emperor Augustus swiped a day to add to August, the month named after him. Noted for Candenda Day and St. Valentine's Day as well as the birthdays of Washington and Lincoln, February also is notable as the month in which the Leap Year day occurs. In the fourth year, with some exceptions, February has a 29th day; such will be the case this year. But on the other three years, it is short-changed and winds up with only 28 days, by far the shortest month of the year.

The worst blow of all came in 1913, when on Feb. 25, the federal income tax was made legal by the Sixteenth Amendment to the U. S. Constitution.

Buying power is just as important as production power.

New Construction Averaging \$8,000,000 Each Year, Nearly One Home A Day

The \$8,305,610 construction authorized in Granite City during 1959 is testimony to the stability of the growth trend in this community. While not as large as the year before, the total is the second highest in history, despite the inhibiting effect of home interest rate increases and the absence of some of the major projects that contributed to the \$14,820,466 record in 1958.

Construction of homes continued at a rate of nearly one a day, and the number of building permits rose from 802 in 1958 to 980 last year. It is interesting to note that the \$8,000,000-plus construction during the past year is the fourth total at this general level or higher in the last five years. With \$45,670,090 building projects in the five-year period, the annual average has been \$9,134,018.

Additional construction programs already are planned and, it seems certain that the trend will continue unabated in 1960 and into the new decade. The growth inevitably creates new problems for the community and its governmental agencies, but the problems can be successfully met and solved. Meanwhile, the residential and commercial expansion continues daily to make dreams and hopes of a bigger, better community a reality.

Traffic, Fire Hazards In Vicinity Of Eagle Park Acres Are Unsolved Problems

Recent news articles have dealt with two hazardous conditions in the Eagle Park Acres area: immediate south of Madison and Venice. Lack of fire hydrants again has led to costly fire damage, and opening of a roadway connecting the settlement with Alameda Route 67 has created increased traffic hazards.

A fire that destroyed four homes is not the first that might have had a different outcome if there had been water lines and if there had been arrangements for immediate response by some fire department. In more than one case in recent years, children have been burned to death. Surely there is some way in which Eagle Park Acres fire protection can be improved.

Always a scene of severe traffic accidents, the highway at the McCambridge avenue viaduct and south of it will become even more dangerous as traffic from Route 67 has increased. A crash between such opposing traffic last week injured five persons and easily could have caused fatalities. Brighter lighting of the viaduct and highway and clearer marking of the confusing traffic lanes would be steps in the right direction.

Absence of governmental authority in the unincorporated area has been a detriment to some of these improvements. But lives are at stake and the time is ripe for a remedy to Eagle Park Acres fire and traffic deficiencies.

Robert Alsop In Fair Condition After Crash

Robert Alsop, 46, of 1532 Garfield avenue, is in fair condition in Bellevue's Memorial Hospital after being hurt in an automobile accident Sunday on Route 161 near French Village.

Alsop and his wife, Sarah Ann, who also was injured but not hospitalized, were on a Sunday drive heading for Bellevue when their car was struck in the rear by an automobile driven by Herschel W. Reeves, 42, of East St. Louis, who was not injured. The Alsop vehicle was thrown against a utility pole after the collision.

Mr. Alsop suffered multiple lacerations, fractured heel and had several teeth knocked out. His wife had a bruised knee and face. Alsop is a bookkeeper in the office at American Steel Foundries.

The funeral will be held in the Troy Meth-1st Church with interment at Friedens Cemetery in Troy.

Father Of Mrs. Billy Leach Dies Suddenly

Funeral services are scheduled for 2 p. m. tomorrow for Harvey J. Flaggman, 51, of St. Jacob, who died suddenly at 9:15 a. m. Monday. He is the father of Mrs. Billy (Katherine) Leach of Granite City.

Mr. Flaggman suffered a heart attack and died instantly as he was backing a truck toward the building mill at Marine, prior to unloading. The truck was on the mill but, caused no damage. Mr. Flaggman was a farmer near Troy.

A native of St. Louis, he was a millwright until moving to the farm 14 years ago. He was a member of the Carpenters Union Local 2119 of St. Louis.

Also surviving are his wife, Mrs. Agnes Flaggman, a son, George Flaggman of home; and step-son, Everett Tanehill of St. Louis.

ALDERMAN BASARICH ANSWERS MRS. KEUENHOFF'S PRESS-RECORD FORM To Mrs. Keuenhoff:

Now that we know who we are talking with through this column, I would like to clarify to you Mrs. Keuenhoff's statement of January 18th, concerning Spruce street being an arterial street. You don't have to take my word for it, check the city engineer or better yet check with the State of Illinois and you will find out that Spruce street is definitely not an arterial street at the present time. For your information it was pulled on a list of streets, at my request, and forwarded to the State so it can be designated as an arterial street, so M.F.T. money can be used to help curb and gutter this street and put in a better street. This was done two months ago.

Although I am wondering if Spruce is designated as arterial and is recommended by the council to be replaced, could we depend upon your support and the others who have so loudly protested the repair of Cayuga street. Being Spruce street under the same conditions as Cayuga street under M.F.T. money usage.

Of course there is another way you can pave Spruce, that is by a special assessment tax which I feel certain you can talk your neighbors into going along with you. Of course, you would be the brunt of the taxes being levied on the owners of the property on this street. Or is this the reason you want Spruce ahead of other streets arterial or not. You about know that Chestnut, Olive and Maple streets are also paved and some of these taxpayers have been paying taxes a long time before you and they are patient. So why do you want to go down to a real analysis of your problem, you can readily see that something is being done for and about your street and your aldermen are working for you whether you recognize the fact or not.

Spruce street is not the best dirt street going by far, but I feel that in your own mind at one time felt it was, when you built your house there, when you lived there, when you were present. In the meantime you bought a lot next to your present home on this same street. If you feel that your street needs to be improved and as for myself I will do everything to bring about this improvement as soon as possible. This kind of service as your alderman I want to be tender to all the people in my ward, when and if our city council will go along with me.

You have in the past two years 1958, and 1959 received more than your share of upkeep on Spruce street. But years the street was graded and oil and that applied. There was also extra grading done during these years. This was more attention than most dirt streets receive anywhere in Granite City. So why do you feel that you took truthfully, you can't really say of your Spruce street hasn't been taken care of, or neglected?

One of the reasons for answering your letter through the Forum is that the Press-Record took the bait you dangled out to it and put a headline over your letter "Spruce at Arterial." Without taking the time to check with the City Engineers office to find out if this was a fact, you also told us that as they usually do, taking after the city fifth ward aldermen which seems to be their pet project. I just want to call their attention to this fact.

Now that it is printed so all who you seem to want it, I am publicly letting you Mrs. Keuenhoff know that I have talked to other people on Spruce street, who took the time to call or see me personally about some of

Readers are invited to contribute to this column. Name and address must accompany each communication but identity of author will not be revealed if anonymity is requested.

your comments, and explained to them the status of your street, and they were satisfied to go along until we could make Spruce an arterial street. And if you are still as confused as you letter shows I am also confused. I will be glad to see you or people from any part of our ward and try to help work out a solution for their problems. Of course I prefer it personally and not by letter, but either way will do. I'm broad minded that way. And one more thing, kicking up a storm about Cayuga street or any other street will do no harm to your solution, so don't hurry up your solution, it will be nice to stick to the subject matter in your case. Thanks again for your letter of the 18th and I am hoping to hear from you soon in the Forum.

Your Alderman S. A. Basarich

MISSOURI TAX OBJECTOR ASKS QUESTIONS

Editor of The Forum Granite City, Illinois Dear Sir:

In the United States I thought I would support their state's taxation without representation was unlawful, yet Missouri taxes the people of our state unfairly.

1. Why does it cost a person in Illinois \$25.00 for a state license to hunt and fish in Missouri, when we help support that state with our taxes?

2. Why aren't we allowed to vote in Missouri state elections when we help support their state?

3. Why is it when a person from Illinois has an automobile license in Missouri, if the person is a Missourian they get better treatment and judgment than if we too help support that state?

4. Missourians come to Illinois to escape Missouri's high income taxes forcing our residents to work in Missouri because of the high taxes.

In the United States we have also the right to worship. I was shocked by the January 17th page one. I have always admired the catholic religion, but I thought the Russians were the only ones who made first claims like those. I am not saying they are untrue. An advertisement they printed would scare people instead of drawing new members.

Broke Taxpayer

NONN OUTLINES STREET PROGRAM

Dear Sir:

After reading your column and seeing the pictures in the Press-Record I think a reply is in along with me.

Mr. Townsend, isn't it true it wasn't for your newspaper we would have over 50% of the streets in Granite already curbed and guttered and rest would have been done this year. Isn't it true you also claim a bill of goods that they might have to pay if motor fuel was taken away though has never happened and our neighbor city of Wood River fixed all their streets under motor fuel tax

money. Alderman Paul Rutledge and his committee worked hard to perfect a street program, spending many hours and the city entered into contract with Allyn & Blair who with city engineer made a complete report and if it was carried out we could have taken care of about 50% of our drainage problems in Nameoli, behind mill and West Granite.

Mr. Townsend you sure make my heart bleed as you are now trying to make the people believe you are so interested in the streets in GC, when you was the main cause of defeating the only sound program offered the people of Granite City.

Now in regards to 1900 block of Spruce street, Alderman Basarich and myself have asked that this street be made a arterial street as this the only way it can be improved without don't cost to the people. Now in regards to Cayuga street, why don't you tell the people the only way I can improve W. 22nd, Harding, Rosewood, Spruce and Morgan is by making Cayuga arterial street so it connects it with W. 22nd street. Now in regards to money being spent on Cayuga street, the state will be fixing curb and gutter and blacktop and unless the street is made wider, the people on concrete streets should get the same consideration as anyone else when it needs fixing. It is only to pay the cost.

In closing, Corby, it seems that you think that only what the Press-Record is for is good for Granite City. If you would spend a little more time in telling the other side of stories I believe a great many things could be accomplished. Granite City has a great future with new belt the larger harbor, new industries, but reporting the Press-Record with prejudice can make a great city in the future.

Yours sincerely, ALDERMAN WALTER F. NONN.

(Editor's note: Alderman Nonn gives the Press-Record too much credit and apparently has a very low opinion of the ability of the people in Granite City to think for themselves. It was their vote, within the privacy of an election booth, that decided the proposed street, curb and gutter bond issue.)

PROBES PRIORITY PLAN FOR STREET WORK

Looking through Monday's press we see pictures of streets in many of our wards. Due to no curbs the street in need of better repairs gets the lead. Alderman Nonn got his picture in the paper viewing his street. What's the matter with you other aldermen? You have more right for your picture than he, because your streets are a lot worse. If a priority plan was in use poor old Cayuga wouldn't have chance.

Farm Column

By THUMAN W. MAY
Madison County Farm Adviser

Livestock men visiting the office recently have been interested in two new books of plans for swine and beef and dairy cattle equipment.

Published by the agricultural engineering department of the University of Illinois, the books give detailed plans and lists of materials for more than 50 items of equipment for swine and about the same number for cattle. They sell at cost, a dollar a copy.

Among the swine equipment are self-feeders, creep and mineral feeders, troughs, waterers, vaccinating and castrating racks, loading chutes, gates, farrowing stalls, sun shades, portable pig dip and many others.

Cattle items include mechanical bunk feeders, barn wall feeders, cattle guards, working gates, sludge curbs, calf stalls, passes and stiles and various others.

Get one of these books if you are interested in making some livestock equipment.

Copies of the 1950 Farmers' Tax Guide, a 62-page booklet published by the Treasury Department, Internal Revenue Service, are available free of charge at the farm adviser's office.

This booklet is written especially for farmers. It explains in plain, non-technical language most of the income tax rules which concern them. It is in-

tended for use in preparing farm income tax returns for 1959. Numerous examples are used.

A windbreak planted to protect the farmstead is an economical investment. A windbreak planted on the north and west sides of the farmstead will reduce the force of cold winds and lower home heating costs and improve outdoor comfort.

In a livestock feeding program, protection from wind lowers feed bills because the animals use their feed to produce meat and bone instead of trying to keep warm.

A windbreak should be at least 50 feet from buildings or yard areas in frequent use. This will prevent trapped snow in winter and hot, still air in summer.

Windbreaks more than 300 feet away take too long to provide protection. 125 to 150 feet distance is best.

Norway spruce and Douglas fir make the most effective windbreaks. They have dense foliage, make moderately rapid growth and the branches grow close to the trunk.

It's best to plant three rows of trees 14 feet apart in the windbreak. This gives an effective density of foliage at an early age while keeping the trees far enough apart to avoid loss of self-pruning and loss of lower branches.

Farmers who used the Illinois Farm Record Book, published by the College of Agriculture, University of Illinois, in 1959 have been sent a set of 1959 standards in analyzing their records.

After completing his records, a farmer can find the standard and decide where he might profitably change his methods.

Some of the standards for Madison county for 1959 by which a farmer can measure his results: pigs weaned per sow, 7.3; egg sales per hen, \$4.45; dairy sales per cow, in small herds under 10 cows, \$304; in herds, more than 10 cows, \$335; labor costs for a 160-acre farm, \$2985; livestock, \$3000; machinery costs for a 160-acre farm, \$3100; live stock, \$3750; and dairy \$3750.

The efficient farmer should equal or exceed the standards in crop and livestock production but should not exceed in labor, power and machinery costs.

The crop yield standards are divided into three groups according to whether the land is classified as highly fertile, average or low fertility. The 1959 standards for the more important crops according to the soil fertility are corn, 76, 66 and 56 bu. per acre; soybeans, 34, 29 and 24 bu.; wheat, 36, 31 and 26 bu.; oats, 42, 36 and 30 bu.

Besides giving you accurate information about your farming business, to use in making an analysis of your results, the Illinois Farm Record Book provides the necessary figures for your income tax return and social security records. Get your book for 1960 at the office now.

Long-time experiments on 21 Illinois soil-experiment fields show that limestone, when used along with legumes and other soil treatments, has meant \$18.71 an acre in higher crop yields. This statement was made by Lester Boone of the agronomy department of the University of Illinois at the second meeting in the soils course for Madison county farmers last week.

These increased yields have meant a return at the rate of \$63.36 per ton of limestone used. These figures are based on crop yields and prices for the four-year period 1948 to 1951. The present average price of limestone delivered to the farm and spread on the field is about \$37.5 a ton, so limestone applied according to soil needs is certainly a good investment.

Speaking of nitrogen, Boone said that a nitrogen fertilizer will not necessarily give profitable returns just because the soil is low in nitrogen. The soil must have adequate amounts of the other essential plant foods and there must be enough moisture. Soil tilth is important, especially in seasons of short rainfall, because the amount of water a soil can take up and store depends on soil tilth. The free circulation of air through the soil also depends on soil tilth.

The need for nitrogen cannot be determined satisfactorily by soil tests. Results of expert opinions, observations of plant symptoms, and tissue tests, as well as previous cropping and soil treatment practices, will give the best indication of the nitrogen fertilizer will be needed.

Nitrogen fertilizers can be used profitably on corn and small grain where the legumes in the rotation are not providing enough nitrogen.

A new soil test report form is now being used to report soil tests, with recommendations for soil treatments, by the county testing laboratory operated by the Agricultural Extension Service and the Madison County Farm Bureau. One part of the report gives a summary of up-to-date soil management suggestions. Notify our office if you want a copy of these suggestions.

Wait until you have soil tested! The unseasonal warm wet weather has prevented farmers from completing the harvest. Only a small acreage remains unharvested, but the situation is serious on some farms where the fields have been very wet and muddy. Some harvested corn has been slow to dry, with some moisture tests running around 20 per cent.

Most farmers like to have colder weather for another month or six weeks, but severe cold could be harmful to wheat and winter barley.

In the year ahead there will continue to be a strong demand for corn. The U.S. Department of Agriculture is now estimating the 1959-60 use at 3,909 million bushels compared with 3,742 million in 1958-59. Feed use is expected to be up by 166 million bushels, exports up by nine million and feed and industrial use down six million.

At the first meeting in the soils course, Prof. Lloyd McKee and Prof. Joe Wehrenbauer of the University of Illinois gave some interesting information about the origin of our soils and the various soil types in Madison county.

Soils are largely a mixture of ground rock and humus or organic matter. They are the result of a long natural process. No one knows exactly how long but the time undoubtedly runs into thousands of years. Some have guessed that it took 500 years for an inch of topsoil to form. This is the reason why it is so important to take care of the soil we have.

Most of our Illinois soils have been formed from material originally carried by great glaciers or ice sheets. Much of this material, however, was picked up and deposited again by water or by wind before the soils started to develop. In a few areas, soils were formed from the bedrock that was here before the glaciers came.

The glaciers carried along large amounts of rocky material, grinding much of it up as they

moved. Sometimes there were sharp spells when the ice melted as fast as it moved down. If the soil stayed warm for a long time, the material carried by the glacier piled up in a low ridge, or moraine, where the end of the glacier stood still. There may be moraine in your vicinity.

The melting ice caused great floods which carried large amounts of finely ground rock, or "glacial flour," into the river valleys. Later, when the streams dried up, winds picked up much of this fine material and scattered it over a large part of the state. Even areas that were not touched by the glaciers were covered with this wind-deposited material called "loess." As would be expected, the thickest loess deposits were laid down close to the rivers. Today deposits as deep as 30 to 100 feet may be found just east of the Mississippi and Illinois rivers. Some of these loessal deposits are more than a hundred feet deep in the bluffs along the east side of the American Bottoms in Madison county.

At first, as soils began to develop from these different materials, they could support only low forms of plants. But as the plants died, the decaying stalks and roots slowly built up the supply of organic matter of humus. Gradually the soil increased in depth and improved in quality, so that better kinds of plants grew on it. Finally the good state was covered by grasses or trees.

The highest producing dairy herd in the Madison county is the Weight-A-Day-A-Month program for 1959 was the Holstein herd of Gilbert Beat of Staunton. His herd of 16 cows had an average production of 12,000 pounds of milk per cow for the year.

Next high in the top ten herds were owned by Wilmer Heman, Worden; Douglas, Melvin Wolf, Worden; Alfred Henke, Worden; Emil Suhre, Worden; Clarence Berg, Highland; Udeli Wehling, Alhambra; Elmer Schaefer, Moro; Raymond Berles, Moro and Vernon Becker, Moro.

W-A-D-A-M provided a record of milk production in each cow and for the herd. Dairy men then use this information as a guide in adopting feeding, culling and breeding practices that will de-

velop more profitable herds. Progress made by dairy men using this project is shown by the fact that the average production for the herds enrolled in both years 1958-59 was 580 pounds per cow higher in 1959 than in 1958.

The five highest herds in Madison County Dairy Herd Improvement Association No. 1 for the month of December were owned by Harold Baumann, Andrews; Roth & Sons, Harold Kennedy, Valdo Keilbach and Ottewill Bros. The association average was 804 lbs. of milk and 30.4 lbs. of butterfat per cow, reported Kenneth Webery the tester.

The Madison County Holstein Club will hold its annual sale of purebred Holstein calves for 4-8 and FFA members at the fairgrounds at Highland Feb. 13. Purpose of the sale is to give 4-H club and FFA members a chance to purchase purebred Holstein calves from high-producing cows. All calves in the sale are from dams producing more than 400 pounds of butterfat per year on D.H.I.A. records.

It is an unusual opportunity for young people to get some good dairy calves.

Nearly 95 percent of the crop acreage in Illinois is planted to varieties developed within the past 10 years. Breeds which will be replaced even faster during the next decade.

A meeting to discuss feeding and management of beef cattle will be held the afternoon of Jan. 28, at the Farm Bureau building, Edwardsville, at 1 p.m. T. R. Greathouse of the animal science department, University of Illinois, will speak. All beef cattle men are invited.

Fines In GC Total \$1782 For December

Fines assessed and collected in Granite City during December amounted to \$1782, according to a report submitted to the city council Monday night by police Magistrate Casparovic.

Of the total, \$666 was for 51 ordinance violations and will be credited to the city's general fund, and \$1116 was for 84 traffic violations and was credited to the street department fund. The report was referred to Comptroller John Doohar.

Alien Registration

Deadline Is Saturday

Saturday is the deadline for aliens residing in this country to report their present addresses to the Immigration and Naturalization Service through local post offices, the INS regional office in St. Louis said today.

All aliens, with a few exceptions, are required by law to fill out and return address blanks, which may be obtained from post office clerks during regular post office hours. Registration of addresses takes place during the month of January each year.

Exempted from reporting addresses are aliens in the diplomatic service, members of certain international organizations and those in this country temporarily as agricultural workers.

Solon Seeks 5 'Yield' Signs In Cloverleaf

A request for erecting five "right-of-way" signs in Cloverleaf subdivision was made to the Granite City council Monday night by Eighth Ward Alderman Emanuel Dawes and was referred to the Ordinance Committee.

Locations listed were Boyle and Spalding avenues, Spalding and Stearns avenues, Stearns and Waterman avenues, Stearns and Lynch avenues, and Woodlawn and Lynch avenues.

GC Wrestlers Host Tough Springfield Lanphier

Granite City's wrestling team will host one of central Illinois top squads at 8 p. m. Friday in Lanphier of Springfield. The Springfield squad has a 10-1 dual meet record and was second to the Warriors in the Normal Invitational Holiday Tournament in late December.

Granite City, now with a 11-1 record, will be helped by the addition of Coolidge wrestling star Sam Eazo, who compiled an 11-0 individual mark before graduating at mid-year. Ten of his wins came in the pin and fall.

"The way it looks now, Eazo should be in the lineup either at 133 or 158 pounds," Coach William Schmitt said. "At 133, he would probably have a better chance because of his size and age."

Schmitt is bemoaning the fact that his squad is riddled by injuries and mid-year graduations and Eazo could be a welcome addition.

Charles Parkinson injured while pulling a muscle in the Saturday victory over Quincy. The 120-pound wrestler joined ranks of injured who include Ed Johnson, Bob Kary, John Davis and Ernie Taylor. Taylor is nursing a bruised thumb but should be ready by Friday, while Parkinson is a doubtful participant.

Danico Kary and Dalton are out for the season, as are Mike Trovich and Monte Kessler, two mid-year graduates.

Trovich finished his high school career with a record-breaking 71-3 record and Kessler finished with a 27-0-1 mark. Trovich defeated a Lanphier opponent 9-3 in the holiday tourney. Ed Johnson in the 155-pound class and Kessler topped Bill Pickelard of Lanphier in the 134-pound class, 35-3.

The only other warrior to face one of Friday's opponents was Eddie Carter, and he lost to Bob LeGard, 9-7.

On Saturday, the wrestlers will travel to Normal Community high school for a 5 p. m. match. The squad will travel with Andy Sullivan, captain, who also has a game with Normal Saturday night.

The lineup for Friday's home match and the individual records this season: 95 - Larry Bickel (5-3); 105 - Ernie Taylor (15-2); 112 - Buddy Feholchin (9-2); 120 - Charles Parkinson (10-3); 127 - Bloodworth (10-3); 133 - Dan Bravley (3-1) or Sam, Pan Bravley (3-1); 134 - Jerry Wallace (2-0-1) or Bob Cramer (0-0-1); 135 - Eddie Carter (12-4); 180 - Dave Brewer (15-0); 220 - Charles Parkinson (10-3); heavyweight - Bill Riddings (16-1), first in team points with 68-1.

Busch Will Provide Tough Competition For Old Milwaukee

The fourth-place Collinsville Busch Bavarians form the opposition this week for league-leader Granite City Old Milwaukee of the Southern Illinois Bowling Proprietors' Association. The league when the eight local teams meet together for a 7 p. m. session Saturday at the Fairmont Bowl in Fairmont.

The Busch five currently holds a 25-22 record, and can be expected to provide tough competition for the Bowling representatives since the addition of Bill Kalkoti to the squad. Kalkoti posted a 636 series which included a 245 single as Busch beat Bowl Inn of East Alton last week, 2-1.

Old Milwaukee's advantage over second-place Alton Falstaffs is currently four games, both Old Milwaukee and the Falstaffs scored three-game sweeps last Saturday, and the locals' 1058-1060 final was just two short of the season high of 1058 held by the Alton five.

The Falstaffs will meet the Belleville Carling Sings, currently riding in third place, offensively. The top team average in the SIBPA was a 967 mark, while the Falstaffs are 963. Jim Weirich maintained his hold on the individual average leadership with a 664 series an evening high single of 257 last week. His average pins for 60 games is 201.

The league standings, with won-loss records and team averages: Old Milwaukee 41-19, 967; Granite City 37-20, 960; Springfield 34-26, 946; Busch Bavarians 32-28, 947; Brunswick Pro Shop 28-35, 924; Bowl Inn 26-34, 927; Sports Bowl 24-36, 904; Lewis and Clark 19-40, 868.

Madison JHS Loses To Edwardsville In Final Outing

Madison junior high school completed its regular basketball schedule on a sour note Monday night, losing to Edwardsville in its home court, 39-33.

Stan Servatka's squad fell behind 8-6 after one quarter of play, trailed 10-7 at the half, and 21-27 after three quarters. A rally pulled Madison within ten points with 90 seconds left, but Edwardsville took advantage of a Madison foul to open up the final.

Leonard again topped Madison with 15 points. Hayes Wright scored 10, John Summers 8, Randy Scrum 3 and John Hadley 1.

The Madison seventh grader also fell victim to Edwardsville by a 37-23 margin. Tied at the end of one quarter, Madison trailed by only two at halftime, but fell before a second-half onslaught.

The Madison seventh grader also fell victim to Edwardsville by a 37-23 margin. Tied at the end of one quarter, Madison trailed by only two at halftime, but fell before a second-half onslaught.

Madison plays tough East Alton in the first game of the Junior High conference tourney in Roxana at 6:30 p. m. Monday, Feb. 1. East Alton has beaten Madison twice this season, each time by two points. Turnout finals are Feb. 4.

Trojans, Knights Buckle On Armor For Friday Cage Duel In Madison

Madison's Trojans, who must do without the number two man in their one-two scoring punch for the rest of the season, will try to prove 1-0 tomorrow night in an excellent test of everything in schoolboy basketball circles.

Clayton "Buddy" Mueller's team takes on Triad (Trojans-Jacob-Marine) in the second of non-conference games. The Hultowners play before the Midwestern Conference action resumes on Feb. 11, and from the looks of it, the Knights' season record, it may take a bit of doing to make them happy.

Triad won the happy distinction of being the squad with the second best record in the area (behind Collinsville, naturally), having won 17 of 20 games this season.

While the quality of some of its opposition cannot measure up to several Madison opponents, the Knights are a run-and-shoot club that should provide fans with an interesting evening's entertainment.

Triad starts well, principally, but the Knights will not work his club for the percentage shot if the fast-break opportunity is not there presently.

Hand Retains Local Prep BB Scoring Lead

Venice high school's Clarence Hand, despite being held to less than 20 points in three of his last four games, continues to set the pace among local high school players in statistics compiled through Tuesday afternoon.

Hand, a 6-1 senior pivotman for Zahn Wells' Red Devils, had scored 185 points in 16 contests for a 24.1 average to nose out Madison's Ed Walker, who scored 89 points in four games through Saturday to boost his average to 20.1 per game.

Granite City's Rich Williams, defending scoring champion in the Southwestern conference, fell to third place despite a 38-point outing against Alton Saturday. He scored only 11 in the Collinsville game.

Williams Moves Into Third Spot In League Scoring With 19.5 Average

Granite City's Rich Williams has jumped back into the running for his third straight Southwestern Conference scoring championship after a 38-point performance against Alton last Saturday night.

The outburst boosted his conference scoring average to 19.5, not far from the 20-point mark good for third place in the standings and not too far below his winning average of last season.

In the 1958-59 season, he made 230 points in 12 games for an average of 20.8, and in 1957-58 he scored 264 for an average of 22.

Patton Leads With 21.0
The difference in the scoring race this year is the performance of Belleville's Mel Patton, who has scored 144 points in six games for a 24.0 average and led the conference last year with 229 points for an average of 19.0.

Williams' Patton will lock horns in a duel tomorrow night when the Warriors travel to Belleville seeking their sixth conference win in eight starts.

In the first meeting between the two schools, Patton bettered Williams by a 28-17 margin. However, the defending champion had the 17 points early in the third quarter when he suffered a fall under the basket and had to sit out the rest of the game.

LACLEDE STEEL SAFETY awards for 1959 were earned by the Service and Maintenance Department, which has not had a lost-time injury since May 21, 1958, and the Warehouse Department, none since Sept. 26, 1958. Pictured (left to right) are Merrill L. Cox, safety engineer of

Two Traffic Charges Norman Brookman, 20, of 1312 Eighteenth street, was arrested on Fehling road at State street Monday afternoon by Granite City police on charges of speeding and failing to observe a school stop sign. He posted his driver's license at bond.

the Madison plant; Stanley Kuciejczyk, warehouse foreman; Harry Pies, master mechanic representing Service and Maintenance; and Leonard A. Will, plant superintendent. The departments winning the engraved bronze plaques employ 173 workers. Declining steadily

for five years, the plant accident frequency rate was cut in half in 1959. From 1953 to 1959 the rate dropped from 18.718 to 3.22 and lost-time injuries fell from 24 to four. A National Safety Council achievement award was received in October, and the current record for 40 years.

Dog Catcher Asks For Leash Law To Replace Muzzle Bill

Abolishment of the city's dog muzzle law to be replaced with a strong leash law was recommended to Granite City council members Monday night by City Humane Officer Earl "Red" Angle.

Angle said enforcement of the muzzle law is difficult, and dog owners have found it virtually impossible to fit their pets with muzzles without having them tailor-made. He said the muzzle law also permits dogs to roam, continuing to cause damage to yards and gardens.

If we have a good, strong leash law, most of our problems will be solved," the dog catcher said, explaining he has difficulty picking up dogs because they usually seek refuge in private yards where he is unable to go unless he has the property owner's consent.

His recommendation was referred to the Citizens' Animal Shelter Board. In other action, the council approved an entranceway construction for Oakdown Terrace off Pontoon road, and referred to the Board of Local Improvement a request by Alderwoman Mrs. Gabrielle Betnes for paving the 2000 block of Iowa street.

Mrs. Betnes stressed the importance of the block as a connecting link between Nameoki road and north-south Iowa street, the remainder of which is paved. She was told the city has plans for the block, but improvement has been delayed because of a narrow right-of-way. The alderwoman asked that information be gathered on ownership, cost and willingness to sell in order that steps might be taken to acquire the necessary width.

Referred to Mayor Davis, who was absent attending a Bi-State Development Agency meeting in East St. Louis, were sewer charge bills to Nameoki area churches which have been used for school purposes this year.

Under the sewer rental program, the charge for buildings used as schools amounts to \$40 to \$60 a month. Comptroller John Doohar explained the bills were sent out recently based on the minimum rental charge.

Eighth Ward Alderman Emerald Duves said church boards were objecting to the sizeable bills, ranging from \$800 to \$1400, and it was suggested the mayor could possibly arrange a meeting between city, church and school officials to work out an arrangement. The school district is not leasing any church rooms for school purposes this year.

Alderman Samuel Whitmer, chairman of the Downtown Traffic Committee, reported a meeting will be held in the near future between the Off-Street

Parking Commission, his committee and City Engineer David Johnson to go over the recently completed downtown parking survey. Whitmer added that in talking to members of the Off-Street Parking Commission, he learned they have been studying the report and should be ready soon to make a presentation to the council.

When asked about the possibility of obtaining a brighter-type street light for the city, similar to a fluorescent fixture being considered in Alton, Alderman Dawes, chairman of the Light Committee, said he would confer with Illinois Power Co. officials. He added that he had recently learned the power company plans to install additional lights along Madison avenue.

Permission was granted for the purchase of 24 new clocks for parking meters to cost \$14.50 each.

Woman Inhales Gas From Refrigerator

Mrs. Gertrude Bundy, 57, of 2905 Circle drive, was admitted to St. Elizabeth Hospital for overnight observation after she inhaled some escaping gas from a refrigerator at home Monday afternoon.

Mrs. Bundy was not sick but went to the emergency room. She is an employee of the hospital. In another case Monday, Mrs. Edith Worthen, 74, of 2824 Pershing avenue, caught her right index finger in a washing machine. The wound was sutured.

Tri-City Park

MRS. LEOLA TUCKER TR. 6-0906
The Tri-City Tabernacle on Meridian street held its annual business meeting Sunday afternoon.

Officers elected were: deacon, Otto James, Wilbur Shelton, Glen Arnold, Arthur Mathenia and Burl Green; and trustees, Glenn Tucker, Harlan Keel and Hubert Bayer.

Mrs. and Mrs. Wilbur Shelton, 2432 Edison avenue, are the parents of a daughter born Saturday at St. Mary's Hospital, East St. Louis. She has been named Lisa Gay and weighed eight pounds, eight ounces.

Plans Bake Sale

Members of the Kappa Chi Junior Tri-Hi-Y club will hold a bake sale Saturday at the new A & P market, 2016 Madison avenue, for the purpose of raising funds for club activities, a club spokesman said today. Club members will sell baked goods from 8:30 a.m. until 2 p.m. at the store.

Participating are Susan Myers, Sharon Stroyoff, Janet Kramer, Margaret Harden, Nancy Bell, Carolyn Jenkins, Carol Case, Kathy Harsh, Sandy Hickman, Karen Hinson, Diane Holschneider, Carolyn Lamm, Kathy Talley, Carol Updike and Alice Jackson.

DETERMINE'S FIRST Warfare, 2-year-old champion of 1959, is the first stakes winner from the first crop of Determine, 1954 Kentucky Derby winner.

Miss Beverly Jones To Receive Degree Mrs. Beverly Madison Jones, daughter of Mildred Jones, 2449 Cleveland blvd., will complete her work toward the bachelor's degree at William Jewell College in Liberty, Mo., during the term ending tomorrow. The degree will be conferred at the regular commencement on May 30.

Miss Jones is an elementary education major in preparation for teaching. She is one of 12 students completing work at William Jewell this term.

David Painter Chosen Fraternity President

David Darrell Painter, son of Mr. and Mrs. Ralph Painter, 422 Lincoln avenue, Venice, has been elected president of Gamma Delta, religious social fraternity at Eastern Illinois University at Charleston, the Press-Record learned today.

The mathematics major is one of the first freshmen to be elected to the Eastern chapter of the national fraternity. He was graduated from Venice high school in May of 1959 and is attending EIU on a four-year scholarship.

Former Madison Woman Robbed In Michigan

Mrs. Maude Marshall, formerly of Madison, was robbed by a youth who offered to shovel the walk in front of her Charlevoix, Mich., home recently, the Press-Record learned today.

After shoveling the walk the youth pushed his way into her house and ordered her to give him all the money in the house. She had only three or four dollars on hand and gave it to him and he left. She then notified the police of the small Michigan community.

Mrs. Marshall was the wife of the late Dr. R. A. Marshall, a Madison dentist for many years before his retirement. They moved from here two years ago, formerly living at 1671 Fourth street.

Withers Wins Award At Toastmaster Meeting

Charles Withers used an interest developed during a recent trip through Arkansas and Texas as a subject for his prize-winning speech at the Granite City Toastmaster's meeting Monday night at the Grand Cafe.

"Quartz Crystals" was the topic of the speech given by Withers and he told the members of the formation and use of the mineral. The prize winner presented specimens found during his trip to demonstrate his speech.

Don Trimmel was the other speaker, the title was "Yoga." Toastmaster of the evening was Earl Lee, general evaluator Dr. Claude Elles and best critic Rob Lillibridge.

Protestant Welfare Aids 247 Families Last Year

Protestant Welfare Association handled 247 cases involving 975 persons, the 1959 report by retiring president Robert L. Brav shows. Of these cases 178 were new, 40 recurrent and 29 incidental.

As of Dec. 31, the welfare agency listed 225 families on its rolls with 248 dropping off during the year. The assistance given included gifts of food, rent payments, clothing, medical, utility bills, fuel, aid to transients and counseling.

The association moved into larger quarters during the year and is now located at 2032 Edison avenue. The new president is William Harris of Granite City.

The retiring president's report shows that food gifts head the list of aid given by the United Fund agency. Orders were given to 202 needy families during the month.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

Monday, Jan. 28, 1935

The stage is set and several thousand Tri-Cityans are looking forward to Wednesday night, when dancers and parties in honor of President Roosevelt will swing prominently into action in this community's own particular drive against infantile paralysis. Simultaneously, all over the nation, thousands of enthusiastic day balls will spring into being, also in the name of the President, pledged to alleviate "home" sufferers of the disease and contribute to a gigantic jack pot for research, to wipe it out.

City, county and state police jurisdiction over the Tri-Cities area met Thursday afternoon at the Elks Club and laid the foundation for a cooperative agency for the prevention and suppression of crime. It will be the purpose of the local organization to minimize the cumbersome red tape delays and excruciating inefficiency in police affairs that have been causing by having four separate cities when they are one geographically and in every other respect.

Those who attended were Granite City Chief of Police John Tappel, Madison Chief Ray Bachman, Venice Chief Harry Hartman, Deputy Sheriff Harry Oehm and two state police officers. Tappel represented the Namsco police department.

Operating expenses for the city of Granite City during the first eight months of his fiscal year totaled \$69,683 which was \$5604 less than the same period the year before. The total was still \$1188 over the budget.

Rockabye Dempsey's Buddy and Rockabye Dempsey's Conny, male puppies owned by Frank White, 2659 East 24th street, were winners in the class at the Boston Terrier specialty show held at the Claridge Hotel in St. Louis on Saturday evening.

J. E. Currie is the city's re-elected president of the Mount Council of Boy Scouts at the annual dinner meeting held Thursday night at the Masonic Temple. It will be his second term. Other local officers elected were Ben Schermer of Granite City, vice-president; Sam Sprout of Madison, fourth vice-president; Louis Burger of Granite City, treasurer and Wensel Brown of Granite City, commissioner.

A campaign to protect youngsters in the Tri-Cities against the constantly increasing prevalence of diphtheria throughout Illinois will be started under the auspices of the Madison county 40 and eight. Supported by both American Legion posts in the community, the drive will seek to have all children from two years of age up inoculated against the disease.

Three baptisms and four candidates were reported by Dr. Lemuel Hall pastor of the First Baptist Church, at the opening of the revival last night.

After trailing all through the first half, the Happy Warriors went on a scoring spree and passed the Alton quint to win.

State Capitol NEWS

Study of the water system at Hammond, Ill., has shown that small town water systems should not be miniatures of large water systems.

Findings, peculiar to small town water systems, were reported last week in Chicago at a meeting of the Board of Natural Resources and Conservation by William C. Ackermann, chief of the Illinois State Water Survey.

Water treatment problems develop in the smaller systems because the use of water is not great enough to allow thorough circulation of water within a certain time. Factors revealed by the study should be considered in the future design of the small town water system, Ackermann said.

Spray programs for the control of Dutch elm disease proved successful in northern and northeastern Illinois. Data submitted to the Illinois Natural History Survey by 38 municipalities showed that annual losses below one per cent of the elm tree populations occurred in many communities where complete control programs were carried out. Many communities without control programs suffered heavy losses from the infectious tree disease.

Dentists, dental hygienists and dental specialists have been warned that they are required to renew their licenses before April 1. The warning came from Vera M. Binks, director of the state Department of Registration and Education.

Under an amendment passed by the last General Assembly and approved by Gov. William G. Stratton on July 17, 1959, every dentist licensed under the Illinois Dental Practice Act is required to renew his license by March 1 and March 31 of each even numbered year thereafter to renew his license.

Citations and arrest of a dozen retailers throughout the state in violation of the Illinois Egg law during the first half of January caught the attention of state inspectors. The Illinois Department of Agriculture reported. Fines ranging from \$25 to \$50 were meted out by justices of the peace throughout Illinois. Inspectors checked 715 retail outlets in the first two weeks of January and found 111 violations.

Harry Fulkerson, superintendent of the Division of Markets, said that the principal offense is mislabeling and misgrading and in one instance the retailer displayed eggs for sale where the temperature was above 60 degrees.

Under the Illinois Egg Law which became effective last July 1, eggs sold at retail must be labeled according to grade and size and the containers must be plainly labeled. Ungraded eggs cannot be sold at retail in the state. The egg law does not affect farmers. They may sell eggs to whoever they please. Fulkerson pointed out. However eggs received from a farmer by a retail outlet must then be graded.

Illinois townships and road districts have been allotted \$1,077,163 as their share of motor tax paid into the state treasury during December. The Illinois Department of Finance reported.

A six-day harness racing program, instead of seven, will be featured at the 1960 Illinois State Fair. The change was advocated by the Illinois Driving club, an organization of horsemen and State Fair officials, to improve the quality, tone, purse and attendance for the annual classic.

In recent years the opening day of the Fair has always featured the Aged Division Trot and Pace of the Illinois State Fair Colt Stakes along with some early closing events. These races have been moved to the first Saturday with resulting changes in the remaining program. The Illinois State Fair will open Friday, Aug. 12, and will continue through Sunday, Aug. 21.

Mother Of Local Man Dies In Nursing Home

Funeral services were held yesterday afternoon at O'Fallon for the mother of Charles Hilz of Granite City. Mrs. Pauline Hilz, 89, who died at 3:30 p.m. Sunday in the Barr Nursing Home of Madison.

Other survivors are a son Theodore Hilz of Jennings, Mo.; a daughter, Mrs. Leonard Williams of O'Fallon; four grandchildren and seven great-grandchildren.

Rev. A. E. Klemme, pastor of the O'Fallon United Church of Christ, officiated at the services and interment was in College Hill Cemetery in Lebanon.

NAME OMITTED

In an obituary notice in Monday's issue one of the survivors of Mrs. John Murgich was left out. Her brother, John Murgich, should have been listed. Mrs. Murgich died at 5:58 a.m. Monday in St. Elizabeth Hospital.

Faces Two Charges

Virgil Wicker, 35, of 1349 Meridian street, was taken into custody at his home Monday by Granite City police and was charged with creating a disturbance and committing assault on complaints filed by Maxwell Wicker. He later was freed on \$32 cash bail.

Captain Robert Gray, Triverton, R.I., became the first man to sail the American flag around the world. He did it in 1789-90 aboard the ship Columbia and repeated the journey in 1791-1793.

2. G. E. Disposal (No garbage cans on front lawn)
3. Almost 15' Fruitwood cabinets (Superior, Beautiful)
4. Large Kitchens (double wall sinks)
5. Large Closets (and plenty of them)
6. Real Ceramic Tile Baths, Showers (built-in Medicine
cabinets)
7. Poured basements, 3 support beams (some houses have
only 2)
8. American Furnaces, 40 gal. water heaters (not 30 gal.)
9. Aluminum screens, storm doors (not wood)
10. Large lots, landscaped, trees, shrubs, paved streets.
Shopping Center location. Located behind Rose Bowl
of St. Clair & Myrtle ave.

JUNIOR AUXILIARY DISTRICT MEETING

Miss Dorothy Hinton was in charge of a 22nd district junior meeting held Sunday afternoon at the Legion Home, with Venice-Madison unit members as hostesses. Purpose of the meeting was to discuss the programs of the American Legion and the contests in each program.

Mrs. Marie Sullivan, district director from East St. Louis, was a special guest and units represented were Wood River, Columbia, New Athens, Belleville, East St. Louis, Collinsville, Duplo, Mascoutah, the Henry Mitchell unit of Madison and the Gold Star Memorial unit of East St. Louis.

A social time followed, and a dessert luncheon was served to 29 senior member and 31 junior members by the hostesses. Vickie Simmons, Shickie Gougout and Mary Jean Bergsrahn. They were assisted by Mrs. Jackie Leathers, Mrs. Dorothy Bergrath and Miss Norma Hinson.

BIRTHDAY DINNER

Mrs. Charlie Thiele, 201 Hampton street, was honored guest at a surprise birthday dinner given Sunday by members of her family, Mr. and Mrs. Harold Hanlon, Mr. and Mrs. John Blina and Mr. and Mrs. Carpenter. The dinner was held at the Hanlon residence, 260 Hampton street, and the honoree received many gifts.

Other relatives seated for the dinner were Mr. and Mrs. Morton Gentry, daughter Mary, and Mrs. Emma Sandbrink, all of Catwampus Mo, Mrs. Sylvia Ann of Catwampus Mo, Mrs. Mae Weddle of Madison, Mrs. and Mrs. Floyd McKinney and daughter, Mrs. Mary Sue and Margaret, Mr. and Mrs. Robert Blina and children, Gary Lee and Cathy, all of Granite City, and Mr. and Mrs. Clarence Hackney and children, Harold, Jean, Mary and Sherry, Frank Blinn and Jerry Carpenter, all of Venice.

Boy Scout Troop One met Monday evening at the Boy Scout Home under the supervision of Scoutmaster Harold Koelker. Council correspondence was read and the application of Bonnie Markus was read. The group will participate in Boy Scout Week by doing a good turn for the community.

Catholic scouts and girls will receive communion at the 8 o'clock mass Feb. 7 and the other boys will attend the church of their choice that day, in order to discuss the programs and Michael McGee, of the Webelos and their leader, Bob Douglas, attended the meeting to practice knot tying. The first-aid and maps were held for the scouts, and games of darts were enjoyed by those not taking the tests. Present were John Mike Robinson, Mike Scaggs, Jerry Bartlett, Buddy Koelker, Jimmie Caudill, of Tolliver and Johnny Honness, and guests Dan Brown and Eddie May.

A social hour was enjoyed by Intermediate Girl Scout Troop 42 which met Tuesday afternoon at the Venice high school student lounge under the supervision of the leader, Mrs. M. Meehan. Group singing and games were enjoyed, and the girls were served hot chocolate and cookies. Those present were Cheryl Caudron, Judy Austin, Carolyn Lund, Beverly McCarter, Linda Fous and Gloria Corns.

Rev. Craig R. Dillman, 419 Lincoln avenue, accompanied by Clifford Caver and Ernest Boelling, attended a sub-district meeting held Tuesday evening at Aldersgate Methodist Church in East St. Louis. Rev. Edward Cretzel was in charge and Ray Hinton of Granite City discussed the organization and success of Methodist men's groups. Two films were shown, and refreshments were served to approximately 25 persons.

HOSTESS TO CLUB

Mrs. Bee Schaffner was hostess Monday evening at a meeting of the Canasta club at her home, 409 Washington avenue. Prizes for excellent in the games were awarded to Mrs. Dorothy Copeland and Mrs. Helen Litch of Granite City and Mrs. Rose Ritz of Collinsville.

A dessert luncheon was served, and other present were Mrs. Marge Purcell of Madison and Mrs. Mabel McGee, Mrs. Elsie Gagner and Mrs. Marilyn Schaffner, all of Venice. Hostess for the February meeting will be Mrs. Copeland, and the club's 27th anniversary will be observed.

16 Additional Firms With 25 Years Service

Sixteen additional Quad-City businesses with 25 years or more of service to the community have been added to the list of firms being compiled by the Associated Retailers and the Tri-Cities Chamber of Commerce. It was announced today.

An awards banquet is being arranged for May 17 to honor the businesses.

The initial list included 11 businesses, and the committee in charge announced that any other qualifying firms contact the Associated Retailers office to be added to the list.

Businesses added with 25 years service are to receive framed certificates, while those with 50 years or more are to be given metal plaques. Businesses added since the initial announcement last week include, listing the names alphabetically and the number of years:

Barbara's Beauty Shop, 30; Branding grocery, 37; Cohen's Food Market, 29; Farrington Motors, 45; Granite City Auto Sales, 26; Habelstok grocery, 41; Huxel Electric Co., 38; Mary and Realty, 35; McLean's Mortgage Co., 33; Michael Jewell, 29; O'Brien Tire & Battery, 28; Peck Radiator Co., 41; Reinhardt Agency, 40; Southwick Metal, 51; Tri-City Club-Bonnie Markus, 40; and Venice Gas & Oil.

Hill-Run Accident

Joe Lovry, 2303 State street, told Granite City police Tuesday morning he was away from his parked car for only 20 minutes and it was damaged by a hit-and-run motorist. Lovry had parked his car on 20th street near State street and at 1:10 a.m. returned to find the left side damaged.

Charged With Speeding

A charge of speeding was placed against John Hogan, 27 1/2 Clark avenue, who was arrested Monday afternoon at 11:30 a.m. and released after posting his driver's license as bond.

Kiwanians To Install New Officers Monday

Granite City Kiwanians will install 1960 officers Monday night during ceremonies at the Elks club, retiring President Sam Wolf announced today. Plans for the installation banquet, to include a steak dinner beginning at 7 o'clock were made during a monthly report meeting of the club Monday at the Elks club.

Officers to be installed include Francis Judd, president; William Herman, first vice-president; Homer Johnson, second vice-president; and Harold Karandlett, treasurer. Arthur Matheson will assume the duties of secretary, an appointive officer. Wives of members will be guests at the meeting.

During Monday's meeting, Mrs. Bessie reported on activities at the division inspirational meeting held at the Collinsville Kiwanis club last week.

Crash On Madison Ave.

Involved in an accident on Madison avenue at 23rd street Tuesday afternoon were north-bound autos driven by Norma J. Koesterer, 24, of 3104 Kirkpatrick Homes, and Julius Johnson, 38, of 1227 Calhoun street, Venice. Police said the Koesterer car stopped for a red traffic signal and was struck in the rear by the station wagon operated by Johnson. No injuries were listed.

Only One Arrest

Unadvisedly, two separate items appeared in Monday's issue relating to the same speeding arrest involving Lurton Pulley, 38, of 2221 Nevada street. There was only one such arrest.

Hubble Heads Southern Illinois CMRC Group

Dr. Kenneth Hubble of Fairfield has been appointed director of the southern region of the Illinois Council for Mentally Retarded Children.

He will coordinate the activities of parent groups, including the Granite City Association for Aid to Retarded Children, which are working for the welfare of retarded children in eight southern Illinois communities.
